and any such order may contain such incidental and supplementary provisions as appear to the Central Government to be necessary or expedient for the purposes of the order.

(*2*) Unless any such order makes express provision to the contrary, nothing therein shall affect the power to refer any trade dispute or matters connected therewith for report or settlement under the Trade Disputes Act, 1929 (VII of 1929).

(*3*) Nothing in the Arbitration Act, 1940 (X of 1940), shall apply to any proceedings under any such order.

GOVERNMENT OF INDIA.

Legislative Assembly Department.

NOTIFICATION.

New Delhi, the 7th October 1941.

No. F. 126-I/41-A.—Under Rule 18 of the Indian Legislative Rules, the Governor General has been pleased to order the publication in the *Gazette of India* of the following Bill, together with the Statement of Objects and Reasons relating thereto, and the Bill and the Statement of Objects and Reasons are accordingly published for general information:—

L. A. BILL No. 25 OF 1941.

A Bill to provide for the grant of weekly holidays to persons employed in shops, commercial establishments, restaurants and theatres.

WHEREAS it is expedient to provide for the grant of weekly holidays to persons employed in shops, commercial establishments, restaurants and theatres;

It is hereby enacted as follows:—

Short title, extent and commencement.

1. (*1*) This Act may be called the Weekly Holidays Act, 1941.

(*2*) It extends to the whole of British India.

(*3*) It shall come into force in a Province or in a specified area within a Province only if the Provincial Government by notification in the official Gazette so directs.

Definitions.

2. In this Act, unless there is anything repugnant in the subject or context,—

(*a*) "establishment" includes a commercial establishment, shop, restaurant and theatre;

(*b*) "day" means a period of twenty-four hours beginning at midnight;

(c) "commercial establishment" means any establishment in which there is carried on for profit the trade or business of an advertising, commission, forwarding or other commercial agency, or of insurance, banking, brokerage or exchange, or of a joint stock company,

and includes the clerical department of an industrial or commercial undertaking, and any other establishment or class of establishments which the Provincial Government may by notification in the official Gazette declare to be a commercial establishment or class of commercial establishments for the purposes of this Act,

but does not include a restaurant, shop or theatre, or a factory (except the clerical department thereof) subject to the Factories Act, 1934, or a mine subject to the Indian Mines Act, 1923, or a railway as defined in the Indian Railways Act, 1890, or any establishment in which the hours of work are regulated by any law for the time being in force other than this Act;

XXV of 1934.
IV of 1923.
IX of 1890.

(d) "restaurant" means any premises where refreshments are supplied for consumption on the premises but does not include a restaurant attached to a theatre;

(e) "shop" includes any premises where any retail trade or business is carried on, including the business of a barber or hair dresser, and retail sales by auction, but excluding the sale of programmes, catalogues and other similar sales at theatres;

(f) "theatre" includes any premises intended principally or wholly for the presentation of moving pictures, dramatic performances or stage entertainments;

(g) "week" means a period of seven days beginning at midnight on Saturday.

Closing of shops and commercial establishments.

3. (1) Every shop and commercial establishment shall remain entirely closed on Sunday, or on such other day of the week in lieu of Sunday as in respect of such shop or commercial establishment may be fixed by the Provincial Government by general or special order.

(2) The Provincial Government may, for the purposes of this section, fix different days for different classes of shops and commercial establishments, or different days for different areas, or different days for different times of the year.

Weekly holidays in restaurants and theatres.

4. Every person employed otherwise than in a confidential capacity or in a position of management in any restaurant or theatre shall be allowed in each week a holiday of one whole day.

Additional half-day closing or holiday.

5. The Provincial Government may, by notification in the official Gazette, require in respect of shops and commercial establishments or any specified class of either or both that they shall be closed at one o'clock in the afternoon of one week-day in every week in addition to the day provided for by section 4 and, in respect of theatres and restaurants or any specified class of either or both, that every person employed therein otherwise than in a confidential capacity or in a position of management shall be allowed in each week an additional holiday of one half-day commencing at one o'clock in the afternoon.

Payment of wages.

6. No deduction or abatement of the wages of any person employed in an establishment to which this Act applies shall be made on account of any day or part of a day on which the establishment has remained closed or a holiday has been allowed in accordance with

sections 3, 4 and 5, and if such person is employed on the basis that he would not ordinarily receive wages for such day or part of a day he shall none the less be paid for such day or part of a day the wages he would have drawn had the establishment not remained closed or the holiday not been allowed on that day or part of a day.

Inspectors.

7. (*1*) The Provincial Government may appoint persons to be inspectors for the purposes of this Act within such local limits as it may assign to each such person.

(*2*) Every inspector appointed under this section shall be deemed to be a public servant within the meaning of section 21 of the Indian Penal Code. XLV of 1860.

Powers of inspectors.

8. (*1*) Subject to any rules made in this behalf by the Provincial Government, an inspector may, within the local limits for which he is appointed,—

(*a*) enter and remain in any establishment to which this Act applies with such assistants, if any, being servants of the Crown, as he thinks fit;

(*b*) make such examination of any such establishment and of any record, register or notice maintained therein, and take on the spot or otherwise such evidence of any person as he may deem necessary for carrying out the purposes of this Act;

(*c*) exercise such other powers as may be necessary for carrying out the purposes of this Act.

(*2*) Any person having the custody of any record, register or notice shall be bound to produce it when so required by the inspector, but no person shall be compellable to answer any question if the answer may tend directly or indirectly to criminate himself.

Penalties.

9. In the event of any contravention of the provisions of section 3, of section 4, of a requirement imposed by notification under section 5, of section 6, or of the rules made under clause (*c*) of sub-section (*2*) of section 10, the proprietor or other person responsible for the management of the establishment in which such contravention takes place shall be punishable with fine which may extend, in the case of the first offence, to twenty-five rupees, and, in the case of a second or subsequent offence, to two hundred and fifty rupees.

Rules.

10. (*1*) The Provincial Government may, by notification in the official Gazette, make rules for carrying out the purposes of this Act.

(*2*) In particular and without prejudice to the generality of the foregoing power, such rules may—

(*a*) define the persons who shall be deemed to be employed in a confidential capacity or in a position of management for the purpose of sections 4 and 5;

(*b*) regulate the powers and duties of inspectors;

(*c*) require registers and records to be maintained and notices to be displayed in establishments to which this Act applies and prescribe the form and contents thereof.

Power of exemption and suspension.

11. The Central Government in respect of establishments under its control, and the Provincial Government in respect of all other establishments within the Province may, subject to such conditions, if any, as it thinks fit to impose, exempt any establishment to which this Act applies from all or any specified provisions of this Act, and may, on any special occasion in connection with a fair or festival or a succession of public holidays, suspend for a specified period the operation of this Act.

STATEMENT OF OBJECTS AND REASONS.

It was suggested at the first Conference of Labour Ministers held in January, 1940 that the Central Government should consider the question of passing an enabling measure giving Provincial Governments power by notification to provide for the compulsory closing of shops and commercial establishments for a minimum period of one day in the week, leaving it to the Provincial Governments to provide an extra half-holiday, if they considered it necessary. The present Bill has been drafted after consultation with Provincial Governments and further discussion at the second Conference of Labour Ministers held in January, 1941. The Bill will not come into effect in any Province until the Government of that Province directs its application by notification, either to the whole Province or any specified area within it. A further notification of the Provincial Government will be necessary to bring into application the provisions about an extra half-holiday. It is considered desirable that Provincial Governments should have power to introduce by notification certain minimum provisions on uniform lines as embodied in the Bill. The Bill provides for payment of wages for holidays declared under it. Certain classes of persons and establishments are excluded from its purview. It proposes to leave power with the Central Government in respect of establishments under its control and with Provincial Governments in respect of all other establishments within the Province, to make exceptions from or temporary suspension of the provisions of the proposed Act.

Irrigation.

CALCUTTA, THE 25TH AUGUST 1941.

RESOLUTION No. 1-I.

Read the Annual Irrigation Revenue Report for the year 1939-40.

The gross expenditure on capital account during the year was Rs. 15,080. After the deduction of receipts and recoveries on capital account amounting to Rs. 61,032, the net capital expenditure was *minus* Rs. 45,952 as against *minus* Rs. 29,238 in the previous year. The gross capital expenditure was incurred almost wholly on residual works of the Damodar Canal and the recovery was mainly on account of the hire charges earned by the dredger "Ronaldshay".

The expenditure on revenue account amounted to Rs. 34,17,247 during the year under review as against Rs. 34,43,420 of the previous year. Of the total, a sum of Rs. 4,94,090 was spent on irrigation works proper, the principal items being the Damodar (including the Eden), Bakreswar and Midnapore Canals and the contour survey in Central and Western Bengal and the preparation of a detailed estimate for the Howrah-Hooghly Flushing Scheme. A sum of Rs. 2,20,159 represents mainly the value of work of dredging the storm water outfall channel carried out on behalf of the Corporation of Calcutta out of contributions made by them. The rest of the expenditure on revenue account was on navigation, embankment and drainage works. The expenditure on navigation was mainly for the upkeep of the five suction dredgers, the maintenance of the Hijili Tidal Canal in Midnapore and of the existing steamer and boat routes from Calcutta to Eastern Bengal and Assam and the conservancy of some of the principal navigable rivers of the province, such as the Ganges, the Dhalleswari and the Buriganga. New works in progress during the year under review included the Bhairab Scheme in Jessore, the Satkhira Khal Scheme in Khulna, the Jaliabari Khal Scheme in Faridpur, the Bhatui River Scheme in Nadia and the scheme for the flood protection on the right bank of the Damodar river in Burdwan.

The total revenue receipts during the year were Rs. 13,59,302 as against Rs. 17,16,573 of the previous year. There was a decline in receipt to the extent of about two lakhs from the Damodar Canal including the Eden Canal and to the extent of more than one and a quarter lakhs from the Midnapore Canal, Calcutta and Eastern Canals and the Madaripur Bil Route.

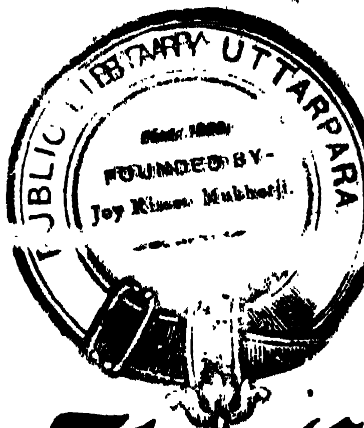
The rainfall was normal and well distributed throughout Bengal except in some parts of the eastern districts where it was abnormal with the result that there were floods in certain areas and some damages were done to crops. Floods also occurred in certain parts of Western Bengal, viz., in the Dwarka and Ajay basins and in the lower reaches of the Bhagirathi, the Jalangi and the Mathabhanga rivers and in the low areas served by the Midnapore Canal. The rainfall was not evenly distributed in the areas served by the Damodar Canal during the kharif season. Due to scanty rainfall in the early part of July and in the months of September and October there was a keen demand for canal water in those areas. There was no difficulty in meeting this demand. On the whole, the outturn of crops was not unsatisfactory.

The total area irrigated by the Damodar, Eden, Bakreswar, Midnapore, Salbundh, Amjore and Kashianalla canals was 234,377 acres compared with 113,405 acres in the previous year. There was an increase of 106,000 acres (in round figures) in the area commanded by the Damodar Canal which is due to the area being brought back under the operation of the Development Act. There was also an increase of 11,000 odd acres in the Midnapore Canal area and this was due to the reduction of water rate by 8 annas per acre in that area.

The contour survey of certain areas in Central and Western Bengal was completed during the year under review. It is expected that on the data obtained by such surveys, it will be possible to frame projects for schemes which will be remunerative and suitable for execution

under the Bengal Development Act. One such scheme, viz., the irrigation and flushing project for an area of 916 square miles lying in the districts of Burdwan, Hooghly and Howrah, has already been prepared.

The dredger "Ronaldshay" was engaged for 224 days during the year in connection with the work of the Corporation of Calcutta referred to above and earned a hire charge of Rs. 89,600. The dredger "Foyers" was engaged for 50 days in all and the amount of hire earned by her was Rs. 11,100. The other dredgers remained idle throughout the year.



During the year under review sanction was accorded to the expansion and re-organisation of the department on a permanent basis with three circles, eleven divisions and twenty-eight subdivisions.

Rules for the Conduct of Elections.

Definitions.

1. In these rules, unless there is anything repugnant in the subject or context,—

(a) "the Act" means the Calcutta Municipal Act, 1923 (Bengal Act III of 1923);

(b) "the Election Officer" means such officer as the Provincial Government may by notification in the *Calcutta Gazette* appoint to perform the functions of the Election Officer under these rules.

Appointment of Returning Officers.

2. (1) The Election Officer may appoint as many Returning Officers as he thinks fit, provided that there shall not be more than one Returning Officer for the same constituency and provided also that no person shall be appointed as the Returning Officer of any constituency of which he is an elector.

(2) The Election Officer may at any time, for reasons to be recorded in writing, remove any Returning Officer appointed by him and appoint another in his place, and may also appoint a substitute to act as Returning Officer during any temporary disability of the Returning Officer.

Nominations.

3. The Provincial Government shall appoint—

(a) a date not less than one month before the date fixed for the general elections under sub-section (3) of section 45 of the Act by which the nomination of candidates shall be made; and

(b) a further date not later than the seventh day after the first mentioned date for the scrutiny of nominations.

4. Nominations shall be made by means of a nomination paper in Form I annexed to these rules copies of which will be obtainable at the Central Municipal Office. Each candidate shall be nominated by separate nomination paper.

5. On or before the date so appointed for the nomination of candidates, each candidate shall either in person or by his proposer or by his seconder or by his election agent, between the hours of 12 o'clock noon and 5 o'clock in the afternoon, deliver to the Returning Officer or to such other person as may be authorised in this behalf a nomination paper completed in Form I annexed to these rules and subscribed by the candidate himself as assenting to the nomination and by two persons as proposer and seconder whose names are registered on the electoral roll of the constituency for which the candidate is nominated:

Provided that a nomination paper signed by a duly authorised attorney on behalf of the candidate shall, for the purpose of this rule, be held to be signed by the candidate himself as assenting to his nomination.

6. Any person whose name is registered on the electoral roll of the constituency, and who is not subject to any disability as set forth in section 22 of the Act may subscribe in all, whether as proposer or seconder, as many nomination papers as there are vacancies to be filled.

7. (1) Every nomination paper delivered under rule 5 shall be accompanied by a declaration in writing subscribed by the candidate in the manner laid down in sub-section (2) of section 27 of the Act.

(2) The nomination paper shall be accompanied by another declaration that the candidate has selected a symbol from the list specified in Schedule A to these rules; no candidate shall be deemed to be duly nominated unless such declaration is delivered along with the nomination paper.

8. Any nomination paper which is not received before 5 o'clock in the afternoon on the date appointed by the Provincial Government under clause (a) of rule 3 shall be rejected.

9. On the presentation of a nomination paper, the Returning Officer shall satisfy himself that the names and numbers on the electoral roll of the candidate and his proposer and seconder as entered in the nomination paper are the same as those entered in the electoral roll. Where necessary he shall direct that the former be amended so as to be in accordance with the latter.

It shall be also competent for the Returning Officer to alter or amend any entry in the nomination paper presented to him with a view to ensuring accurate and adequate publication under rule 10 of the names of candidates and of persons who have subscribed the nomination paper as proposer and seconder.

10. The Returning Officer or other person authorised shall, on receiving a nomination paper under rule 5, inform the person or persons delivering the same of the date, hour and place appointed for the scrutiny of nomination, and shall enter in the nomination paper its serial number and shall sign thereon a certificate stating the date on which and the hour at which the nomination paper has been delivered to him; and shall, as soon as may be thereafter, cause to be affixed in some conspicuous place in his office a notice of the nomination containing descriptions, similar to those contained in the nomination paper, both of the candidate and of the persons who have subscribed the nomination paper as proposer and seconder.

11. A proposer or a seconder once having signed a nomination paper shall not be allowed to withdraw.

12. A candidate may withdraw his candidature under sub-section (3) of section 27 of the Act by notice in writing subscribed by him and delivered to the Election Officer. The Election Officer shall on receiving such notice of withdrawal, as soon as may be, cause such notice to be affixed in some conspicuous place in his office and in the office of the Returning Officer of the constituency in regard to which the withdrawal has taken place.

If any candidate withdraws his candidature within three days of the date of election, the name of such candidate shall be deemed to be omitted from the ballot paper notwithstanding the fact that his name is shown on the ballot paper.

Scrutiny of Nominations.

13. On the date appointed by the Provincial Government under rule 3 for the scrutiny of nomination, the candidates, their election agents, every proposer and every seconder of each candidate, and one other person duly authorised in writing by each candidate, but no other person, may attend at such time and place as the Election Officer may appoint, and the Returning Officer shall give them all reasonable facilities for examining the nomination papers of all candidates which have been delivered within the time.

14. (1) The Returning Officer shall then examine the nomination papers and shall decide all objections which may be made to any nomination, and may, either on such objection or on his own motion, after such summary inquiry, if any, as he thinks necessary, refuse any nomination on any of the following grounds:—

(i) that the candidate is ineligible for election in accordance with the provisions of the Act, or

(ii) that the proposer or seconder is disqualified from subscribing the nomination paper under rule 6, or

(iii) that there has been any failure to comply with any of the provisions of the Act or of these rules relating to the nomination of candidates, or any failure to comply with the provisions of the Act relating to the deposit to be made by candidates under sub-section (3) of section 27 of the Act, or

(*iv*) that the candidate or the proposer or seconder is not identical with the person whose electoral number is given in the nomination paper as the number of such candidate, proposer or seconder, as the case may be, or

(*v*) that the signature of the candidate or the proposer or seconder is not genuine.

(*2*) For the purposes of this rule—

(*a*) an entry in the electoral roll of any constituency shall be conclusive evidence of the right of any elector named in that entry to stand for election or to subscribe a nomination paper as the case may be, subject to the disqualifications referred to in section 22 of the Act,

(*b*) where a person has subscribed whether as proposer or seconder a larger number of nomination papers than there are vacancies to be filled, those of the papers so subscribed which have been first received, up to the number of vacancies to be filled, shall be deemed to be valid.

(*3*) Nothing contained in clause (*ii*), clause (*iii*), clause (*iv*) or clause (*v*) of sub-rule (*1*) shall be deemed to authorise the refusal of the nomination of any candidate on the ground of any irregularity in respect of a nomination paper, if the candidate has been duly nominated by means of another nomination paper in respect of which no irregularity has been committed.

(*4*) The Returning Officer shall not refuse any nomination paper on the ground of a slight technical defect such as the wrong spelling of a name or description of constituency so long as the intention is clear or any disparity between the signature of any person and his name as appearing in the electoral roll when the identity of such person is satisfactorily established.

15. (*1*) The Returning Officer shall endorse on each nomination paper his decision accepting or rejecting the same, and if the nomination paper is rejected, shall record in writing a brief statement of his reasons for such rejection.

(*2*) The scrutiny shall be completed on the day appointed in this behalf, and no adjournment of the proceedings shall be allowed.

16. (*1*) On completion of the scrutiny of nominations, the Returning Officer shall forthwith examine symbols selected by the candidates and if such symbols are found to conflict with each other, he shall allocate the symbols in conformity as far as possible with the wishes of the candidates and if necessary by lot, and his decision in this respect shall be final. Each candidate or his election agent shall at the same time be informed of the symbol assigned to such candidate and shall be given a specimen thereof. He shall then prepare a list of valid nominations indicating therein the symbol assigned to each candidate and shall cause the said list to be affixed in some conspicuous place in his office.

(*2*) In the case of uncontested returns the Returning Officer shall report the name or names of the candidate or candidates whom he declares to be elected to the Executive Officer and to the Election Officer, and thereupon the Election Officer shall after informing the candidate or candidates, cause the name or names of the candidate or candidates elected to be published in the *Calcutta Gazette*.

17. If the number of duly nominated candidates is greater than the number of vacancies the Returning Officer shall forthwith publish in the local newspapers, and in such other manner as the Election Officer may prescribe, and in such places in the constituency as he may consider necessary, the names of the candidates as given in the nomination papers in alphabetical order in English and also the symbol assigned to each candidate.

In the case of a constituency in which a seat is reserved for members of the Scheduled Castes, the Returning Officer shall in publishing the names of duly nominated candidates under this rule indicate by special mark, the names of candidates who belong to the Scheduled Castes.

18. (*1*) If a candidate by whom or on whose behalf the deposit referred to in sub-section (*3*) of section 27, of the Act, has been made withdraws his candidature more than seven days before the date fixed for the election, or if the nomination of any such candidate is refused, the deposit shall be returned to the person by whom it

was made; and if any candidate dies before the commencement of the poll, any such deposit, if made by him, shall be returned to his legal representatives or, if not made by the candidate, shall be returned to the persons by whom it was made.

(2) The deposit made in respect of a candidate shall, if it is not forfeited be returned to the candidate or to the person who has made the deposit on his behalf as soon as may be after the publication of the result of the election.

19. If a candidate who has been duly nominated dies after the date appointed for the scrutiny of nominations and before the date appointed for the taking of a poll, the Returning Officer shall, upon being satisfied of the fact of the death of the candidate countermand the poll and report the fact to the Election Officer, and all proceedings with reference to the election shall be commenced anew in all respects as if for a new election:

Provided that no fresh nomination or deposit shall be necessary in the case of a candidate who stood nominated at the time of the countermanding of the poll.

Polling.

20. The Election Officer shall appoint the hour at which the poll shall commence and the hour at which it shall close on the date appointed by the Provincial Government for the poll. The hours so fixed shall be published by notification at least three days before the election in the local newspapers and in such other manner as the Election Officer may direct.

21. (1) The Election Officer shall select for each constituency as many polling stations as he thinks necessary and shall publish at least three days before the date of polling in such manner as he may consider necessary a list showing the polling stations so selected and the polling areas for which they have respectively been selected.

(2) The Election Officer shall appoint a Presiding Officer for each polling station and such other persons (hereinafter referred to as polling officers) to assist the Presiding Officer as he thinks necessary. The Election Officer may appoint additional polling officers during an election, if necessary.

(3) If the Presiding Officer, owing to illness or other unavoidable cause, is obliged to absent himself from the polling station, his functions shall be performed by such polling officer as may be authorised by the Election Officer to perform such functions, during any such absence; and the expression "Presiding Officer" in these rules shall be deemed to include a polling officer so authorised.

(4) The Election Officer shall make separate arrangement for the recording of votes by women electors provided that any woman elector may record her vote at the men's booth by notifying in writing to the Election Officer, at least four days before the date of polling, her intention of so doing.

22. (1) The Presiding Officer shall keep order at the polling station, shall see that the election is fairly conducted, shall regulate the number of electors to be admitted at one time, and shall exclude all other persons except:—

(a) the polling officers, the candidates, their election agents and for each polling officer in the case of polling booths for men one agent and in the case of polling booths for females two female agents of each candidate (each such agent being hereinafter referred to as the polling agent) to be appointed in writing by the candidate and authorised in this behalf by the Election Officer;

(b) the police or other public servants on duty; and

(c) such other person as the Presiding Officer may from time to time admit for the purpose of identifying electors:

Provided that unless for special reasons the Presiding Officer otherwise directs, no male shall be admitted inside the polling booth set apart under sub-rule (4) of rule 21 for the recording of votes by women electors.

(2) The Presiding Officer shall allow the polling agent of a candidate at the polling station to be relieved by another polling agent also duly appointed in writing by the candidate and authorized in this behalf by the Election Officer.

(*3*) The Presiding Officer shall close the polling station at the hour appointed in that behalf by the Election Officer under these rules so as to prevent the admission thereto of any elector after that hour, provided that all electors present at the polling station before it is so closed shall be entitled to have their votes recorded.

23. If any person misconducts himself at the polling station or fails to obey the lawful orders of the Presiding Officer he may immediately, by order of the Presiding Officer, be removed from the polling station by any police officer or by any other person authorised in writing by the Presiding Officer to remove him; and the person so removed shall not, unless with the permisison of the Presiding Officer, be allowed again to enter the polling station during the day:

Provided that this power shall not be exercised so as to prevent any elector who is otherwise entitled to vote at any polling station from having an opportunity of voting at such station.

24. Each polling station shall be provided with such number of compartments as the Election Officer thinks necessary, in order to enable electors to mark ballot papers as quickly as possible and screened from observation.

25. (*1*) The Election Officer shall provide at each polling station materials sufficient for the purpose of enabling electors to mark the ballot papers, instruments for stamping the official mark on such papers, as many ballot boxes as may be necessary, and copies of the electoral roll or of such part thereof as contains the names of the electors entitled to vote at such station.

(*2*) The official mark shall be kept secret.

26. Outside and inside each such polling station there shall be displayed on boards to be provided for the purpose by the Returning Officer, in bold and clear print, the name of each candidate in English, Bengali and/or any other vernacular language as may be decided by the Returning Officer, the name of the symbol assigned to him and the symbol itself.

27. Every ballot box shall be so constructed that ballot papers can be introduced therein but cannot be withdrawn therefrom without the box being unlocked. The Presiding Officer shall immediately before the commencement of the poll at the polling station, show each ballot box to be used at the poll, to such persons as may be present in such station, so that they may see that it is empty, and shall then lock it up and place his seal upon it in such manner as to prevent its being opened without breaking such seal, and shall place it in his view for the receipt of ballot papers and keep it so locked and sealed.

28. (*1*) Immediately before a ballot paper is delivered to an elector, it shall be marked on the back with the official mark, and the number, name and address of the elector as stated in the electoral roll shall be called out, and the number of the elector shall be entered on the counterfoil, and a mark shall be placed in a copy of the electoral roll against the number of the elector, to denote that he has received a ballot paper, but without showing the particular ballot paper which he has received. The counterfoil shall bear the name of the constituency and the name or distinctive number of the polling station shall be entered thereon by either the Presiding Officer or the polling officer.

(*2*) In deciding the right of a person to obtain a ballot paper for the purpose of voting at an election, the Presiding Officer may interpret an entry in the electoral roll so as to overlook merely clerical or printing errors but shall record his reasons for doing so, and the interpretation he has adopted, on the counterfoil of the ballot paper issued to such person.

29. The elector on receiving the ballot paper, shall forthwith proceed to one of the screened compartments in the polling station set apart for marking ballot papers by electors, and there mark the symbol or symbols printed on the ballot paper against the name of the candidate or candidates for whom he intends to vote in accordance with the instructions set out on the ballot paper, and fold it up, so as to conceal his vote, and shall put his ballot paper, so folded up, into the ballot box. Every elector shall vote without undue delay and shall quit the polling station as soon as he has put his ballot paper into the ballot box.

30. If the elector, owing to illiteracy or physical or other disability, is unable to read the symbols on a ballot paper or to make a mark thereon, the Presiding Officer or polling officer shall mark the vote in the ballot paper according to the direction of the elector. The elector shall then himself, or with the assistance of the Presiding Officer, put the ballot paper folded up into the ballot box.

31. At any time before a ballot paper is delivered to an elector, the Presiding Officer or polling officer may, of his own accord, if he has reason to doubt the identity of the elector or his right to vote at such station, and shall, if so required by a candidate or his election agent or polling agent, put to the elector the following questions:—

(1) Are you the person enrolled as follows (reading the whole entry from the roll)? and,

(2) Have you already voted at the present election in this constituency as such voter?

and the elector shall not be supplied with a ballot paper if he refuses to answer any one of the questions and unless he answers the first question in the affirmative and the second question in the negative.

32. The ballot paper, in the case of a constituency in which a seat is reserved for members of the Scheduled Castes, shall be in Form II annexed to these rules and in the case of other constituencies shall be in Form III annexed to these rules. The ballot paper shall contain the names of the candidates arranged alphabetically in English together with the symbols assigned to each candidate printed against the name of each. In the case of a constituency in which a seat is reserved for members of the Scheduled Castes the names of candidates belonging to the Scheduled Castes shall be indicated by special mark on the ballot paper. The names and the instructions in the form may be printed in such vernaculars as the Election Officer thinks fit having regard to each constituency. The ballot papers shall be serially numbered, the serial number being printed on the face of the counterfoil and on the back of the ballot paper.

33. If a person representing himself to be a particular elector named on the electoral roll applies for a ballot paper after another person has voted as such elector, the applicant shall, after duly answering such questions as the Presiding Officer may ask, be entitled to mark a ballot paper in the same manner as any other elector. Such ballot paper (hereinafter referred to as a "tendered ballot paper") shall be of a colour different from the other ballot papers, and instead of being put into the ballot box, shall be given to the Presiding Officer and endorsed by him with the name of the elector and his number on the electoral roll and the name of the electoral area to which the roll relates and shall be set aside in a separate packet and shall not be counted by the Returning Officer. The name of the elector and his number in the electoral roll and the name or distinctive number of the polling station to which the roll relates shall be entered in a list in Form IV annexed to these rules, which shall bear the heading "tendered votes list." The person tendering such ballot paper shall sign his name and address thereon or affix his thumb impression against the entry in that list.

34. (*1*) If any polling agent declares in writing and undertakes to prove, or if the Presiding Officer for any reason is clearly of opinion, that any person by applying for a ballot paper has committed the offence of personation, the Presiding Officer shall require such person to enter in the list of challenged votes (which shall be in Form V annexed to these rules) his name and address, or if he is unable to write, to affix his thumb impression thereto. If such person refuses to comply with such requisition he shall not be permitted to vote, but if he does so comply, he shall be allowed to vote, after he has been warned of the penalty for personation, provided that he answers the question mentioned in rule 31 in the manner laid down therein.

(*2*) The Presiding Officer shall in every case, whether or not the person is allowed to vote, make a note of the circumstances in the list of challenged votes.

35. A voter who has inadvertently dealt with his ballot paper in such a manner that it cannot conveniently be used as a ballot paper may, on delivering it to the Presiding Officer and satisfying him of the inadvertence, obtain another ballot paper in place of the spoilt paper, and the latter shall together with its counterfoil, be marked as cancelled by the Presiding Officer.

36. A Presiding Officer, polling officer, election agent or polling agent who being an elector of any constituency is duly authorised or appointed for duty at a polling station at which he is not entitled to vote may apply to the Returning Officer of the constituency for a certificate entitling him to vote at that polling station but at no other. On the production of such certificate he shall be allowed to vote at that polling station. The certificate shall be in Form VI annexed to these rules and a copy thereof shall be sent by the Returning Officer to the Presiding Officer of the polling station at which the elector would otherwise have been entitled to vote.

The person shall then go inside the polling compartment and there mark on the ballot paper against the name of the candidate or candidates for whom he intends to vote in accordance with the instructions set out on the ballot paper, and fold it up so as to conceal his vote, and shall put his ballot paper so folded up in an envelope to be supplied to him by the Presiding Officer or the polling officer. The envelope shall then in the case where such person is not the Presiding Officer be handed over to the Presiding Officer. The Presiding Officer shall then seal up the envelope and keep it with him until the close of the poll. The Presiding Officer shall despatch the envelope together with the certificate produced under sub-rule (*1*) to the Returning Officer concerned as soon as practicable after the close of the poll.

38. The Presiding Officer shall, as soon as practicable after the close of the poll at a polling station, in the presence of any candidates or their election agents or polling agents who may be present, make up into separate parcels and seal with his own seal and the seal of such candidates or agents as may desire to affix their seal—

and shall deliver such packets or cause them to be delivered to the Returning Officer.

39. The packets shall be accompanied by a statement in Form VII annexed to these rules made by the Presiding Officer, showing the number of ballot papers entrusted to him, and accounting for them under the heads of ballot papers in the ballot box, unused, spoilt, and tendered ballot papers, and ballot papers dealt with under rule 37.

Scrutiny of votes.

40. The Election Officer shall appoint a date which shall be not later than a week after the polling day for the counting of votes. The Returning Officer shall fix the place and time at which the votes shall be counted on the date so appointed and shall give notice of such date, time and place in writing to all candidates and election agents.

41. (1) No person shall be allowed to be present at the counting of the votes except the Returning Officer and such persons as he may appoint to assist him in counting the votes, and such other persons as have a right to be present under sub-section (5) of section 29 of the Act.

(2) No person shall be appointed to assist in counting the votes, who has been employed by or on behalf of any candidate for any purpose whatsoever connected with the election.

42. On the day and at the time appointed under rule 40 the Returning Officer shall proceed as follows:—

(a) The ballot box or boxes relating to each polling station shall be opened one after another, and the Returning Officer shall take out the papers therefrom, count them or cause them to be counted, and record the number thereof in a statement. The Returning Officer shall then open the envelopes, if any, despatched to him under clause (b) of sub-rule (2) of rule 37, take out the ballot papers therefrom and record the number of such ballot papers in the said statement. Such statement shall not be shown to any candidate or agent.

If any candidate or his representative present questions the correctness of the rejection, he shall also record on the ballot paper the grounds for the rejection. No candidate or representative shall be allowed to see the serial number on the back of any ballot paper.

(d) The Returning Officer shall, as far as practicable, proceed continuously with the counting of the votes; and shall, during any necessary intervals during which the counting has to be suspended, place the ballot papers, packets and other documents relating to the election under his own seal and the seals of such candidates or representatives as may desire to affix them and shall cause adequate precautions to be taken for their safe custody.

43. (1) A ballot paper shall be rejected if—

(a) it has not on its back the official mark,

(b) the number of votes recorded thereon exceeds the number of vacancies to be filled,

(*c*) no vote is recorded thereon,

(*d*) it is void for uncertainty,

(*2*) In a constituency in which a seat is reserved for members of the Scheduled Castes, the ballot paper shall be also rejected if the number of votes recorded thereon in favour of candidates not belonging to the Scheduled Castes exceeds the number of seats in that constituency not reserved for members of those castes.

(*3*) The decision of the Returning Officer as to the validity of a ballot paper shall be final, subject only to reversal by the orders of a Court of competent jurisdiction.

44. The Returning Officer shall not open the sealed packets of the tendered votes, the marked copy of the electoral roll or the counterfoils of the ballot papers. He shall verify the statement submitted by the Presiding Officer under rule 39 by comparing it with the statement prepared under clause (*a*) of rule 42 and with the number of counted votes and the rejected ballot papers, the unused ballot papers in his possession and tendered votes list, shall then reclose and re-seal each packet which has been opened by him, make up into packets the ballot papers which have been counted and seal such packets, and shall record on each packet a description of its contents and the date of the election to which it refers.

45. The Returning Officer shall then prepare and certify a return setting forth—

(*2*) the names of the candidates for whom valid votes have been given,

(*3*) the number of valid votes given for each candidate,

(*4*) the name or names of the candidate or candidates selected,

(*5*) the number of votes declared invalid, and

(*6*) the number of tendered votes given,

and shall permit any candidate or any representative duly authorised under sub-section (*5*) of section 29 of the Act to take a copy of or an extract from such return.

SECOND SCHEDULE.

[*See* rule 15 (1) and the First Schedule.]

CONDITIONS.

The Governor General shall be under no liability under any policy of insurance to which these conditions apply (hereinafter referred to as "the policy") if and in so far as the Insured is not entitled to be insured for the sum thereby insured in respect of the property insured under the Ordinance.

2. If at the time of the happening of any loss or damage the total value of the property insured shall exceed the sum insured under the policy, the Insured shall be considered as being his own insurer for the excess and shall bear a rateable share of the loss accordingly.

3. If at the time of the happening of any loss or damage there be any other insurance effected by or on behalf of the Insured covering any of the property suffering that loss or damage, the liability of the Governor General under the policy shall be limited to its rateable proportion of such loss or damage.

4. On the happening of any loss or damage the Insured shall forthwith give notice thereof in writing to the Agent, and shall within ten days after such loss or damage, or such further time as the Agent may in writing allow, at his own expense deliver to the Agent a claim in writing containing as particular an account as may be reasonably practicable of the several articles or portions of property suffering that loss or damage and of the amount of such loss or damage, having regard to their value at the time of the loss or damage, together with details of any other insurances on the property insured. The Insured shall also give to the Agent all such proofs and information with respect to the claim as may reasonably be required, together with (if demanded) a declaration, verified by an affidavit, of the truth of the claim and of any matters connected therewith. No claim under the policy shall be payable unless the terms of this condition have been complied with.

5. If the claim be in any respect fraudulent, or if any fraudulent means or devices be used by the Insured or anyone acting on his behalf to obtain any benefit under this policy, or if any loss or damage be occasioned by the wilful act or with the connivance of the Insured, all benefits under the policy shall be forfeited.

6. If in his application for the insurance effected by the policy, the Insured shall have intentionally made a material under-statement of the value of the property insured all benefits under the policy shall be forfeited.

7. If the Governor General elects to reinstate or replace any property Insured, the Insured shall at his own expense produce and give to the Governor General all such plans, documents, books and information as the Governor General may reasonably require. The Governor General shall not be bound to reinstate exactly or completely but only as circumstances permit and in reasonably sufficient manner and shall not in any case be bound to expend in respect of the property insured more than the sum insured thereon.

8. On the happening of any loss or damage in respect of which a claim is or may be made under the policy, the Agent and every person authorised by the Agent may, without thereby incurring any liability, and without diminishing the right of the Governor General to rely upon any conditions of the policy, enter, take or keep possession of the building or premises where the loss or damage has happened, and may take possession of or required to be delivered to them any of the property insured, and may keep possession of and deal with such property for all reasonable purposes and in any reasonable manner. This condition shall be evidence of the leave and licence of the Insured to the Governor General so to do. If the Insured or any one acting on his behalf shall not comply with the requirements of the Governor General, or shall hinder or obstruct the Governor General or any person acting on his behalf in doing any of the above mentioned acts, then all benefit under this policy shall be forfeited. The Insured shall not in any case be entitled to abandon any property to the Governor General whether taken possession of by the Governor General or not.

9. The premium paid in respect of the policy or any part of such premium shall not in any event be returnable, except as provided in Section 11 of the Ordinance.

10. The policy shall not be assignable.

11. The following condition may be included in the policy at the request of the Insured:—

"It is hereby agreed and declared that...... ....being the persons carrying on the business of banking shall, to the extent of their interest in the property insured, be entitled jointly with the Insured to the rights hereby granted to the Insured, but not so as to grant to them any further or greater rights than those of the Insured under this policy".

12. The liability of the Governor General under the policy shall not exceed in the aggregate the sum thereby insured, and accordingly after the happening of any loss or damage the said sum shall be deemed to be reduced by the amount of that loss or damage.

GOVERNMENT OF INDIA.

WAR RISKS (GOODS) INSURANCE ORDINANCE, 1940.

Instructions.

1. The Government of India have put to operation as from the 1st October, 1940, the War Risks (Goods) Insurance Scheme whereby the Government undertake to insure certain Goods on land or on inland waters in British India against War Risks.

2. GOODS INSURABLE: The Ordinance defines the Goods to which the scheme applies; these include Goods (with certain exceptions) which are held for sale by persons carrying on business as sellers of goods, such as manufacturers, wholesale distributors, and retailers, including the raw materials from which goods are manufactured and goods in process of manufacture.

3. GOODS NOT INSURABLE: A list of goods which cannot be insured under the scheme has been published in the Gazette. For precise details of the goods concerned reference should be made to that list, but, an idea of the kind of goods exempted may be obtained from the following:

Growing crops; plants and trees; live-stock; fleeces and the skins of animals; coal and coke; ores and scrap of certain metals and alloys thereof; certain kinds of bricks, tiles and slates; certain specified kinds of manufactured iron and steel; gold, silver and other precious metals and manufactures and alloys thereof in specified forms; postage stamps; objects of art and craftsmanship not less than 100 years old; cement and lime; specified varieties of certain metals and alloys thereof; natural pearls; jewellery and precious and semi-precious stones; concrete products; certain specified kinds of printing machinery; and goods not for sale.

4. PROPERTY TO WHICH SCHEME DOES NOT APPLY: The Scheme does not apply to buildings, factory machinery and plant, and other forms of immovable property.

5. COMPULSORY INSURANCE: As from the 1st November 1940, any person carrying on business as a seller of goods must insure the whole of his goods which are insurable under this scheme for their full value if the value of such goods within one and the same Presidency Town or District exceeds Rs. 20,000. THE ORDINANCE PRESCRIBES HEAVY FINES FOR CONTRAVENTION.

6. HOW TO INSURE: The Application form overleaf should be completed and forwarded with a remittance for the premium to a Government Agent.

7. GOVERNMENT AGENTS: The Government of India have appointed certain Insurance Companies transacting Fire, Marine or Accident Insurance to act as Government Agents and issue policies under the scheme. If the goods are insured against Fire with an Insurance Company it is strongly recommended that the War Risks (Goods) Insurance should be arranged through that Company. If this is not done there may be considerable delay in obtaining cover.

8. PERIOD OF INSURANCE: The maximum period for which a policy will be issued is three months. Policies issued on or after the 1st October will expire on the 31st December; those issued on or after the 1st January, will expire on the 31st March; those issued on or after the 1st April, will expire on the 30th June; and those issued on or after the 1st July will expire on the 30th September. No policy will be issued to expire on any intermediate date.

9. RATE OF PREMIUM: The rate of premium is fixed quarterly and the current rate may be ascertained from any Government Agent.

10. CALCULATION OF PREMIUM: On insurances effected during the months of April, July, October and January three months' premium will be payable. On insurances effected during the months of May, August, November and February two months' premium will be payable. On insurances effected during the months of June, September, December and March one month's premium will be payable.

11. MINIMUM PREMIUM: The minimum premium for the first policy issued to any person in any quarter for a period of one month or less will be Rs. 5. Similarly for the first policy issued for a period exceeding one month the minimum premium will be Rs. 10. For any subsequent policy issued to the same person in the same quarter, the minimum premium will be Rs. 2-8-0.

12. VOLUNTARY INSURANCE: Any person carrying on business as a seller of goods whose stocks of goods insurable under this scheme within one and the same Presidency Town or District do not exceed Rs. 20,000 in value may insure under the scheme.

13. FLOATING POLICIES: In certain cases floating policies may be issued. Full details can be obtained on application to any Insurance Company appointed as Government Agent.

14. Full conditions to which the policy will be subject have been published in the Gazette.

Acts of the Indian Legislature assented to by the Governor-General and Ordinances promulgated by the Governor-General.

GOVERNMENT OF INDIA.

Legislative Department.

New Delhi, the 20th December 1941.

ORDINANCE No. XII OF 1941.

AN

ORDINANCE

to amend the War Risks (Goods) Insurance Ordinance, 1940.

WHEREAS an emergency has arisen which makes it necessary to amend the War Risks (Goods) Insurance Ordinance, 1940, for the purposes hereinafter appearing; (IX of 1940.)

NOW, THEREFORE, in exercise of the powers conferred by section 72 of the Government of India Act as set out in the Ninth Schedule to the Government of India Act, 1935, the Governor General is pleased to make and promulgate the following Ordinance:— (26 Geo. 5, c. 2.)

Short title and commencement.

1. (*1*) This Ordinance may be called the War Risks (Goods) Insurance (Amendment) Ordinance, 1941.

(*2*) It shall come into force at once.

Amendment of section 2, Ordinance IX of 1940.

2. In section 2 of the War Risks (Goods) Insurance Ordinance, 1940 (hereinafter referred to as the said Ordinance),— (IX of 1940.)

(*a*) for clause (*c*) the following clause shall be substituted, namely:—

'(*c*) "war risks" means such risks arising from—

(*i*) action taken by an enemy or action taken in combating an enemy or in repelling an imagined attack by an enemy,

(*ii*) measures taken under proper authority to avoid the spreading of, or otherwise to mitigate, the consequences of damage occurring (whether accidentally or not) as the direct result of any such action as aforesaid,

(*iii*) precautionary or preparatory measures taken under proper authority with a view to preventing or hindering the carrying out of any attack by an enemy, being measures involving a substantial degree of risk to property,

(*iv*) precautionary or preparatory measures involving the doing of work on land and taken under proper authority in any way in anticipation of enemy action, being measures involving a substantial degree of risk to property,

as may be prescribed;';

(*b*) clause (*g*) shall be omitted.

Substitution of new section for section 4, Ordinance IX of 1940.

3. For section 4 of the said Ordinance the following section shall be substituted, namely:—

Ownership.

"4. (*1*) Save in so far as is otherwise expressly provided in this Ordinance, any goods shall, subject to the provisions of this section, be deemed for the purposes of this Ordinance to be owned—

(*a*) if the property in the goods is for the time being vested in a person in relation to whom they are insurable under this Ordinance, by that person;

(*b*) if the property in the goods is not so vested, by any person in relation to whom the goods are insurable under this Ordinance and who is for the time being entitled, either unconditionally or conditionally, to have the property in the goods vested in him:

Provided that where—

(*i*) any goods would, under the foregoing provisions of this sub-section, be deemed to be owned by a person in whom the property therein is vested otherwise than in the course of a business carried on by him in British India, or who is entitled to have the property therein vested in him otherwise than in the course of such a business, and

(*ii*) any person carrying on business in British India is for the time being entitled to sell the goods as agent,

the goods shall be deemed to be owned by the last mentioned person.

(*2*) Where in the course of any business a ship is being, or has been, constructed under contract, and the ship or any part thereof or any goods appropriated for the construction thereof—

(*a*) would, apart from the provisions of this sub-section, have been deemed for the purposes of this Ordinance to be owned at any time by the person from time to time carrying on the business; or

(*b*) have at any time been accepted, in pursuance of a contract made with him, by the person from time to time carrying on the business,

then, notwithstanding that they would not, apart from the said provisions, be deemed for the said purposes to be owned by the person from time to time carrying on the business, the ship and any part thereof and any goods so appropriated as aforesaid shall, subject to the provisions of sub-section (*3*), be deemed, in a case to which clause (*a*) applies, to continue to be owned by the person from time to time carrying on the business until the acceptance of the ship, in pursuance of the contract in question, by the person for whom it is being, or has been, constructed, and in a case to which clause (*b*) applies, to be owned by the person from time to time carrying on the business at all times between the acceptance referred to in the said clause (*b*) and the acceptance of this ship as aforesaid by the person for whom it is being, or has been, constructed.

(*3*) The provisions of sub-section (*2*) shall apply in relation to the construction under contract in the course of a business of part of a ship, not being part of a ship which is being, or has been, constructed by the person from time to time carrying on the business, as they apply in relation to the construction of a ship—

(*a*) with the substitution for references to a ship of references to part of a ship;

(*b*) where the contract for the part of the ship is with the person for whom the ship is being constructed, with the substitution for references to the acceptance of the ship under the contract in question of references to the acceptance of the ship under the contract for the construction thereof;

(*c*) where the contract for the part of the ship is with any other person, with the substitution for references to the acceptance of the ship under the contract in question of references to the acceptance of the part of the ship under the contract for the construction of the part by the person for whom it is being, or has been, constructed.

(*4*) Where the person from time to time carrying on a business receives any money, under a policy issued in pursuance of the War Risks (Goods) Insurance Scheme, in respect of the loss of or damage to a ship, part of a ship or goods which are deemed to be owned by him by virtue of sub-section (*2*) or sub-section (*3*), the money shall be held by him on trust for the person who apart from the provisions of those sub-sections would be deemed for the purposes of this Ordinance to be the owner of the ship, part or goods, subject, however, to any lien or charge which would otherwise be enforceable against the ship, part or goods, and subject also to the right to retain out of the money the amount of any expenses reasonably incurred by the first mentioned person in making good any part of the loss or damage which he is liable to make good."

Amendment of section 5, Ordinance IX of 1940.

4. In section 5 of the said Ordinance,—

(*a*) after sub-section (*1*) the following sub-section shall be inserted, namely:—

"(*1A*) The War Risks (Goods) Insurance Scheme may also extend—

(*a*) to the undertaking by the Central Government, in relation to any person carrying on business in British India as a seller of

goods, of the liability of insuring such a person against war risks in respect of goods insurable under this Ordinance which are not owned by him but in which he has an interest arising in the course of that business;

(*b*) without prejudice to the provisions of clause (*a*), to the undertaking by the Central Government, in relation to a person carrying on any business in British India, of the liability of insuring such a person against war risks in respect of—

(*i*) any goods situated in British India which are in his possession, otherwise than under a hire purchase agreement, for the purposes of that business,

(*ii*) any goods situated in British India which are subject to a mortgage in his favour held by him in the course of that business,

being in either case goods which are not owned by him but which are insurable under this Ordinance in relation to the person by whom they are owned.";

(*b*) sub-section (*4*) shall be omitted.

Amendment of section 7, Ordinance IX of 1940.

5. After the proviso to sub-section (*1*) of section 7 of the said Ordinance the following proviso shall be added, namely:—

"Provided further that the Central Government may, by notification in the official Gazette, declare that the provisions of this sub-section shall not apply to the carrying on of business as aforesaid by any person in respect of goods of any description specified in such notification."

Amendment of section 9, Ordinance IX of 1940.

6. In sub-section (*1*) of section 9 of the said Ordinance, after the words "under the War Risks Insurance Scheme", where they occur for the first time, the words, figures and letter "or by way of payments made on composition of offences under section 12A" shall be inserted.

Amendment of section 10, Ordinance IX of 1940.

7. For sub-section (*1*) of section 10 of the said Ordinance the following sub-section shall be substituted, namely:-

"(*1*) Any person authorised in this behalf by the Central Government may, for the purpose of ascertaining whether or not any person has insured any goods against war risks, and, if so, for what value,—

(*a*) require any person carrying on in British India the business of fire insurance or of a seller of goods to submit to him such accounts, books or other documents or to furnish to him such information as he may reasonably think necessary, or

(*b*) at any reasonable time enter any premises occupied by any person carrying on in British India any such business, and inspect the premises and require any person found therein who is for the time being in charge thereof to produce to him and allow him to examine such accounts, books or other documents as may relate to the business carried on in the premises, or to furnish to him such information as he may reasonably think necessary."

Insertion of new section 12A in Ordinance IX of 1940.

3. After section 12 of the said Ordinance the following section shall be inserted, namely:—

Composition of offences.

"12A. Any offence punishable under sub-section (*2*) of section 7 may, either before or after the institution of the prosecution, be compounded by the Central Government or by any authority authorised in this behalf by the Central Government, on payment for credit to the War Risks (Goods) Insurance Fund of such sum as the Central Government or such authority, as the case may be, thinks fit."

A. AHMAD,
Personal Assistant, for Director of Agriculture, Bengal.

Dacca, the 9th February 1942.

DEPARTMENT OF AGRICULTURE, BENGAL.

Dacca, the 2nd February 1942.

Final Forecast of the Sugarcane Crop of Bengal, 1941-42.

(*Note.*—On an average of the five years ending 1939-40, the area under sugarcane in Bengal has represented some 7·9 per cent. of the total area under sugarcane in India.)

Character of the Season.—Since the issue of the second forecast, the heavy and excessive rainfall adversely affected the growth of the crop. Damage was also done by insect-pest and red-rot disease and reduced the outturn in a number of districts.

Acreage.—The total area planted is estimated at 313,900 acres this year as against 331,100 acres last year.

Outturn.—According to the estimates of the District Officers, the average outturn of the crop for the Province works out at 77 per cent. of the normal this year as against 81 per cent. last year.

Taking 540 maunds as the normal yield of sugarcane per acre the gross outturn for the Province is estimated at 4,795,000 tons this year as against 5,320,000 tons last year: and on the basis of *gur*/cane ratio of 1:10 as the standard for the whole of the Province, the gross outturn of cane *gur* is estimated at 479,500 tons this year as against 532,000 tons last year.

Other sources of gur.—The total quantity of *gur* likely to be obtained from date-palm juice and other sources is estimated at 115,200 tons this year as against 115,600 (revised) tons last year.

The quantity of *gur* for the Province from all sources is thus estimated at 594,700 tons this year as against 647,600 (revised) tons last year.

Director of Agriculture, Bengal.

Report on Public Instruction in Bengal for the year 1939-40.

CHAPTER I.

General.

The year 1939-40 was subject to the after effects of the economic depression which has beset the province in the previous year, but in the field of education it was a year of progress rather than stagnation. There was a general increase in the number of pupils in all stages and certain improvements were effected in the system of education.

2. The following were some of the notable features of the year:—

(1) Introduction of revised syllabuses in guru and muallim training schools.

(2) Introduction of a revised curriculum for primary schools in eight districts.

(3) Holding of short refresher courses for teachers of primary schools.

(4) Establishment of two District School Boards (in Howrah and 24-Parganas) in addition to the 14 already in existence and imposition of the statutory primary education cess in the districts of Chittagong, Noakhali, Faridpur, 24-Parganas and Jalpaiguri.

(5) Establishment of 32 primary training centres attached to selected high schools with a view to increasing the supply of trained teachers for primary schools.

(6) Extension of free primary education of the Biss Scheme type in the municipalities of Darjeeling, Bogra, Gaibandha, Bankura, Hooghly-Chinsurah and South Suburban (Calcutta).

(7) Holding of the first Matriculation Examination according to the new syllabus and through the medium of vernaculars in March 1940.

(8) Provision in the Education Budget of larger grants for secondary schools (both boys' and girls'), for girls' primary schools in certain rural areas, and for scholarships and stipends for Muslims.

(9) Establishment of two new colleges for women in Calcutta, *viz.*, the Lady Brabourne College and the South Calcutta Girls' College.

(10) Affiliation to the University of Calcutta of three new arts colleges for men, *viz.*, (1) Haraganga College, Munshiganj, (2) A. H. College, Bogra, and (3) Sir Ashutosh College, Kanungopara (Chittagong).

(11) Inauguration of refresher courses by the Calcutta University for secondary school teachers.

(12) Raising of the status of the Hooghly Madrasah to that of an Islamic Intermediate College.

(13) Establishment at Barisal of "the Syedunnessa Girls' Home", a residential type of four-class High English School for the education of Pardanashin girls in an Islamic atmosphere.

(14) Provision of special facilities for Scheduled Caste Hindus by means of liberal grants to schools mainly by pupils of such castes and by the award of special scholarships.

(15) Appointment of a Committee to investigate the problem of Madrasah education.

(16) Appointment of a Physical Directress for Bengal and establishment of a College of Physical Education for women.

CHAPTER II.

Administration and Control.

(Figures in brackets refer to the year 1938-39.)

The controlling agencies in education in Bengal are the Education Department, the two Universities of Calcutta and Dacca, the Board of Intermediate and Secondary Education, Dacca, district boards, municipalities, district school boards constituted under the provisions of the Bengal Rural Primary Education Act, 1930, and a number of religious and philanthropic societies. The control of general education as also of engineering education rests ultimately with the Minister of Education who is an elected member of the Legislative Assembly, whereas medical education is controlled by the Department of Local Self-Government, and Agricultural, Technical and Industrial education by the Department of Agriculture and Industries. Throughout the period under review the Hon'ble Mr. Abul Kasem Fazlul Huq, Chief Minister, was in charge of the Education portfolio. European education has also been transferred to popular control since the introduction of the Constitutional Reforms and the Hon'ble Minister for Education is *ex-officio* President of the Provincial Board of Anglo-Indian and European Education in Bengal.

2. **The Education Department consists of the following services:—**

(1) Indian Educational Service (Men's Branch).

(2) Bengal Senior Educational Service (Men's and Women's Branches).

(3) Bengal Educational Service (Men's and Women's Branches).

(4) Bengal General Service—Education.

(5) Subordinate Educational Services.

(1) *Indian Educational Service.*—Recruitment to this service has been stopped since 1924 by orders of the Secretary of State for India. There were only 11 posts, excluding the post of the Director of Public Instruction, Bengal, in it during the year, of which 8 were held by permanent members of the Indian Educational service and 3 filled temporarily by officers of the Bengal Senior Educational Service, it having been decided by the Secretary of State for India to leave these posts unfilled until a decision had been reached regarding their abolition from the Indian Educational Service cadre. Of the 8 permanent members of the Indian Educational Service, one retired from the service of Government about the close of the year.

(2) *Bengal Senior Educational Service.*—There were 54 posts in the Men's Branch of the Bengal Senior Educational Service on the 31st March 1940. Of these posts, 35 were held by permanent members of the service and 6 by members of the Bengal Educational Service on an officiating basis. Of the remaining 13 posts, 6 were actually held by members of the Indian Educational Service, and the remaining 7 by members of the Bengal General Service on a contract basis on special rates of pay. Of the 5 posts in the Women's Branch of the Bengal Senior Educational Service, 4 were held by permanent members of the service and one by a member of the Bengal General Service on an officiating basis.

(3) *Bengal Educational Service.*—The Men's Branch of the Bengal Educational Service contained 196 (193) posts. The variation in the number is due to the fact that 2 posts were abolished from this service and 5 new posts created in it during the year under report. The Women's Branch of the service consisted of 33 (24) posts; 9 posts were added to this service during the year, 7 for the Lady Brabourne College, Calcutta, and 1 for the Eden High School for Girls, Dacca, and 1 for the Bethune College, Calcutta, by transfer from the Men's Branch of this service.

(4) *Bengal General Service.*—The Bengal General Service was created in terms of Government Notification No. 1665A., dated the 14th February 1936. The strength of this service at the end of the year under report was 53 (50). The increase is due to the addition of 2 posts of Professor of English, Presidency College, and 1 post of Principal, Bengal Engineering College, Sibpur.

Besides the above there were certain part-time gazetted posts either honorary or on fixed rates of pay or allowance during the year as detailed below:—

(1) Professor of Geology, Presidency College.

(2) Professor of Geology, Bengal Engineering College.

(3) Lecturer in Accountancy, Bengal Engineering College.

(4) Honorary Lecturer in Irrigation, Bengal Engineering College.

(5) Honorary Lecturer on Railways, Bengal Engineering College.

(6) Honorary Lecturer on Water Supply and Sewarage, Bengal Engineering College.

(5) *Subordinate Educational Service.*—This service includes all posts below the Bengal Educational Service and has different branches, *viz.*, teaching, inspecting, miscellaneous and clerical on different time-scales of pay. The table below shows the strength of the different branches for the years 1938-39 and 1939-40:—

	1938-39.	1939-40.

October 1939: Dr. W. A. Jenkins acted in his place during his absence on leave. The Director was assisted by an Assistant Director of Public Instruction, an Assistant Director of Public Instruction for Muhammadan Education, a Special Officer for Primary Education, a Special Officer for Scheduled Caste Education, a Special Officer for Muslim Education, and a Special Officer for Secondary Education. The post of Assistant Director of Public Instduction was held by Khan Bahadur T. Ahmed up to 30th June 1939 and thereafter by Khan Bahadur Abdur Rahman Khan. The post of Assistant Director of Public Instruction for Muhammadan Education was held by Khan Bahadur Mr. Maula Baksh up to 31st May 1939 then by Khan Bahadur Abdur Rahman Khan up to 2nd July 1939 and thereafter by Khan Bahadur Badiur Rahman. 5. **Extra-departmental agencies.**—The Executive Officers of Government, *viz.*, District and Subdivisional Officers, continued to assist the department with their valuable advice and active co-operation. As Chief Executive Officer in the district, the District Magistrate has a very important voice in the distribution of grants-in-aid to schools and the constitution of their Managing Committees. The department is thankful to these officers for their co-operation. The thanks of the department are also due to Chairmen, and Vice-Chairmen of district boards, municipalities, district school boards and union boards for the zeal they have evinced in developing primary and technical education in their respective areas. The department is indebted also to the various

religious and other benevolent societies for rendering valuable service in the spread and promotion of education, especially among girls and backward classes. The Railway authorities also deserve mention in this connection for maintaining schools for the benefit of their employees' children and throwing them open to children of all classes.

CHAPTER III.

Primary Education.

General statistics.—There was an increase in the number of pupils in primary schools for boys and girls in spite of the fall in the number of such schools due to their better planned distribution. The policy of amalgamation and consolidation slowed down the rate of increase of inefficient primary schools and encouraged the growth of better equipped and better staffed institutions. The following table gives the number and cost of maintenance of all primary schools:—

	1938-39.	1939-40.
Number of schools	55,852	54,460
Number of pupils	2,627,833	2,759,390
Cost	Rs. 86,10,553	92,36,093

Primary education of Indian Boys.

(Primary education of Indian girls and Europeans is dealt with in other chapters.)

2. **Schools.**—The number of primary schools for Indian boys decreased during the year from 41,712 to 41,266.

The table below indicates the number of primary schools for boys in the various areas of the Presidency:—

Division.	1939-40.						1938-39.
	Number of schools managed by Government.	Number of schools managed by district boards.	Number of schools managed by municipal boards.	Number of schools receiving aid from public funds.	Number of schools not receiving aid from public funds.	Total.	Total number of schools returned in the previous year.

Total ..	76	7,774	393	29,718	3,305	41,266	41.712

3. **Pupils.**—The number of pupils in boys' primary schools increased from 2,165,508 (including 231,933 girls) in 1938-39 to 2,297,342 (including 278,498 girls) in 1939-40. The total number of boys in the primary stage, that is to say, boys attending primary schools and in the primary classes of secondary schools was 2,265,928 against 2,151,668 in the previous year.

Of the total number of boys in the primary stage 998,953 were Hindus and 1,246,400 were Muslims against 955,672 Hindus and 1,176,974 Muslims respectively in the previous year.

The above figures reveal a hopeful state of things. But it is not, however, the number of boys attending primary schools which is so important from the point of view of literacy as the number which actually continues right up to the end of the course.

The Primary (Maktab) Final Examination has gradually been gaining in popularity as will be evident from the comparative figures during the last two years:—

	Number of candidates.	Number passed.
1938-39	45,918	35,125
1939-40	57,997	46,242

The growing popularity of this public examination at the end of the primary course is an indication of the impetus it has given to teachers and the taught alike towards the completion of the course by creating a healthy feeling of rivalry between schools and pupils.

4. **Expenditure.**—The total cost of maintaining primary schools for Indian boys increased during the year from Rs. 70,03,713 to Rs. 75,41,475. Of the total maintenance charges Rs. 50,72,728 or 67·3 per cent. was met from public funds and Rs. 24,68,747 or 32·7 per cent. was borne by private sources, the percentages in the previous year being 64·1 and 35·9.

The expenditure from public funds was made up as follows:—

Year.	Provincial revenues.	District funds.	Municipal funds.	Total.
	Rs.	Rs.	Rs.	Rs.
1938-39	27,40,971	7,42,441	10,03,052	44,86,464
1939-40	33,20,897	7,27,640	10,24,191.	50,72,728

5. **Primary schools in Calcutta.**—The number of boys' primary schools in Calcutta increased from 550 to 573 and that of pupils attending them from 45,443 to 46,269. The free primary schools for boys managed by the Corporation of Calcutta which are included in the number mentioned above remained stationary at 149. Free and compulsory primary education has been introduced only in Ward No. IX. Schemes of extension of the principle are postponed for the present.

6. **Primary education in district school board areas.**—During the year 1939-40, two new school boards were established under the Bengal

(Rural) Primary Education Act, 1930, in the districts of Howrah and 24-Parganas besides the existing School Boards of Mymensingh, Dacca, Chittagong, Noakhali, Pabna, Bogra, Rangpur, Dinajpur, Jalpaiguri, Nadia, Murshidabad, Birbhum, Tippera and Faridpur.

The cess continued to be realised in the districts of Mymensingh, Dacca and Tippera and was imposed in the districts of Chittagong, Noakhali, Faridpur, 24-Parganas and Jalpaiguri and steps were taken to introduce free primary education in six more districts in addition to the eight cess districts just named.

Already there are welcome signs, particularly in those districts where School Boards have been working longest that the former deplorable "wastage" in the schools is on the decline, and with the introduction of the revised curriculum and standardization of salaries to teachers there is every prospect of a steady if slow improvement in the primary schools in the province.

7. **Free primary education in municipalities.**—Much interest was also shown by municipal authorities for the establishment of free primary schools in municipalities on the lines of the Biss Scheme. During the year under report Government sanctioned the extension of this scheme to the municipalities of Darjeeling, Bogra, Gaibandha, Bankura, Hooghly-Chinsurah and South Suburban and accorded administrative approval to the introduction of the scheme in the Nabadwip and Rajshahi municipalities.

8. Considerable interest was evinced in the problems of Adult Education and the Committee set up by Government to report and recommend finished its labour during the year. The report should be a noteworthy contribution to the literature of this important subject.

A good deal of sporadic work was done, but they did little more than bring to light the magnitude of the problem and the need for co-ordination of effort in tackling it.

9. **School post offices.**—The number of primary school teachers who did postal duties in addition to their own work during the year under report was 282. The remuneration for postal work varied from Rs. 5 to Rs. 30 a month.

10. **Teachers and their training.**—The first and most urgent task which fronts any scheme for the reorganisation of education is to supply the right kind of teachers. Up to recent years this supply for primary schools came entirely from Government guru training schools.

The output from there was entirely inadequate to meet the new demands created by the rapid extension of primary education and in June 1940 Government put into operation in six districts where cess was imposed a new scheme whereby primary training centres were opened in or near selected high schools. Hostels were built, books for study supplied, and temporary training staff appointed. It is hoped that the new scheme will go far towards remedying the acute shortage of trained teachers.

11. Simultaneously with the opening of these new training centres a new curriculum for primary training school of all sorts came into operation. It includes subjects which had no place in the curricula

previously in force. Rural science—including rural hygiene and sanitation, rural economics and welfare, with provision for practical work—is the most important of the new subjects, the others being child phychology and religious instruction. The inclusion of "religious instruction" in the training curriculum is a sequel to the inclusion of this subject in the revised primary school curriculum which is already in force in eight districts and will be followed in all the primary schools of the province from 1941.

Provision for a short refresher course of training for the old existing trained teachers of primary schools was made by Government during the year. Many old guru training passed teachers of primary schools attended these courses and received training in up-to-date methods and the technique of teaching, physical and extra curricular activities as also in rural reconstruction work.

Some missionary training schools have made a considerable departure from the traditional ways of training village teachers, *e.g.*, the Pallimangal Training School (Hatchapara Guru Training School) has established itself as a truly village institution on Indian lines. The students there live in houses built in mud on pucca plinths and with thatched roofs. Each house has its own garden (flowers and vegetables) and kitchen and septic tank. The students of each house elect a leader from amongst themselves and the leaders of all the houses meet together once a week as the "panchayet" of the "village". The teachers' houses and the class rooms are also built in the same simple rural style. All the buildings are arranged round a small tank and there is also a foot-ball field and a large field plot for the students.

The following among others are the advantages of this system:—

(1) Students are trained in a really rural environment.

(2) Administration is greatly simplified.

(3) The principles of self-government—the basis of all good education—are taught by practice.

(4) Students learn self-help. The only servants in the village are four cooks (one for each pair of houses) employed and paid by the students. The sweeping of the class rooms and houses and the care of the septic tanks are undertaken by the students themselves. Their vegetable gardens help to supply the kitchens.

(5) Students of different communities (Muslim, Hindu and Christian) learn to live together while maintaining their distinctive ways of life. Students of one community only live in a house but there are Hindu, Muslim and Christian houses in the "village".

One feature developed here is the preparation of simple equipment (mostly from thin cardboard) for village schools, *e.g.*, flash cards, reading charts, etc. Each student during his course prepares a large number and variety of these.

The Sarenga Guru Training School has stressed the practical elements in the revised curriculum. The students there make useful village surveys for future reference and they cultivate vegetables and receive instruction therein. They have lectures on the working of the Agricultural Debtors' Act, and the Tenancy Amendment Acts and have

also some simple instruction in land surveying. They are also taught something of Laubach methods of adult education. This being a special Sonthal school, one of its aims is to work for the preservation of the language and the culture of the Sonthals.

The all round type of training provided in the Birisiri Guru Training school in Mymensingh district (which teaches such useful subjects as hand work, art work, gardening agriculture, physical training, on up-to-date lines, scouting, bratachari, first aid, etc.) is calculated to train its pupil teachers to a sense of their future responsibilities as leaders of thought and pioneers of progress in village community.

CHAPTER IV.

Secondary Education.

(Figures in brackets refer to the year 1938-39.)

General types of schools.—Secondary education is imparted through three classes of schools: (*i*) high English, (*ii*) middle English, and (*iii*) middle vernacular. The high English schools prepare boys mainly for the University Matriculation examination and the middle English for high schools, while the middle vernacular course aims at offering an education suited to an agricultural environment. Practically all these schools start at class III and thus have two primary classes: beyond class IV the secondary course proper comprises two middle and four high classes and normally covers a period of six years.

The following table shews the advance that was made during the year:—

	1938-39.	1939-40.
Number of high English schools	1,355	1,409
Number of middle English schools	2,038	2,181
Number of middle vernacular schools	38	34
Number of pupils	575,298	634,164
Cost of maintenance Rs.	1,82,52,674	1,92,67,453

2. **Secondary Education for Indian Boys.*—Schools and pupils.**—The total number of secondary schools for boys rose during the year from 3,181 to 3,321. High English schools increased from 1,236 to 1,278 and middle English schools from 1,911 to 2,013, while middle vernacular schools decreased from 34 to 30. Pupils reading in high schools rose from 322,771 to 346,833 or by 24,062 and those in middle English schools from 202,916 to 227,987 or by 25,071; but the number of middle vernacular schools fell from 2,982 to 2,922 or by 60. The figures for pupils in 1939-40 include 1,199 girls reading in high schools,

*Secondary education of Indian girls and Europeans is dealt with in other chapters.

6,989 girls reading in middle English schools and 105 girls in middle vernacular schools. The following table compares the distribution of secondary schools according to management:—

	Number of schools.			Number of pupils.		
	High schools.	Middle English schools.	Middle vernacular schools.	In high schools.	In middle English schools.	In middle vernacular schools.
Government ..	41	4	..	13,465	613	..

Total	1,278	2,013	30	346,833	227,987	2,922

3. **Expenditure.**—The total direct cost of maintaining secondary schools for Indian boys during the year came to Rs. 1,55,98,394 (Rs. 1,48,98,662). Of which Rs. 25,73,010 (Rs. 23,39,440) or 16·5 (15·7) per cent. came from public funds and Rs. 1,30,25,384 (Rs. 1,25,59,222) or 83·5 (84·3) per cent. from private sources. High English schools cost during the period Rs. 1,21,65,037 (Rs. 1,17,55,222), middle English schools Rs. 33,99,226 (Rs. 31,06,548) and middle vernacular schools Rs. 33,431 (Rs. 36,892).

The following table shows the expenditure on various types of boys' secondary schools according to sources:—

	High English schools.	Middle schools.	Middle vernacular.
	Rs.	Rs.	Rs.
Government	17,95,101	2,90,751	2,705
District board	9,298	4,04,113	12,621

Other sources	13,77,677	6,22,339	6,868
Total ..	1,21,65,037	33,99,926	33,431

4. **Manual instruction.**—About 70 (60) high and middle English schools had arrangements for giving manual instruction to their pupils in subjects like carpentry, smithy, weaving, dyeing, etc. These classes add variety to the curriculum and are useful in as much as they foster the growth of creative power in children.

5. **Agricultural education.**—In accordance with the programme of work outlined in the scheme for the introduction of agricultural education in non-Government secondary schools, the monthly allowance of Rs. 10 each payable to the teachers trained in agriculture was renewed in favour of 52 teachers. The schools which suffered loss on the working of their farms or gardens also received grants up to a maximum of Rs. 100 in case of a farm and Rs. 20 in case of a garden. Twenty-three middle English schools opened continuation classes and 12 teachers

were deputed for training at the Dacca Farm. It may be added that the growing appreciation of this very necessary training was visible in the efforts of many other institutions that had not actually come under the scheme, but were aspiring to do so to organise instruction in agriculture as an aid to the training of the future citizen. Among these latter schools, mention may be made of the middle English schools with extended classes up to class VIII at Subalkathi and Naopara Saukerpasha in the district of Jessore.

6. **School Final Classes (Science Side).**—The Science Course Classes attached to 7 high schools in the Presidency had an enrolment of 175 pupils on 31st March 1940. Out of 61 candidates sent up for the School Final Examination (Science Side) 41 were successful.

7. **School Broadcast.**—Fourteen radio receiving sets were purchased by the Director, All-India Radio. Out of these 13 sets were installed in different secondary schools and one retained by the Director for demonstration purposes. The hours of the "School Broadcast" are fixed in recess periods of schools ranging from 1-30 p.m. to 2-30 p.m. (Standard time). The radio sets have been so installed that most of the pupils reading in classes X to VII can listen in.

8. **Results of Matriculation Examination.**—The number of boys who appeared at the Matriculation Examination of the Calcutta University and the High School Examination of the Dacca Board of Intermediate and Secondary Education in 1940 was 39,142 (37,812) of whom 20,757 (23,525) came out successful.

9. **Curriculum.**—The revised curriculum of the Matriculation Examination was followed in all the high schools and the first Matriculation Examination under it was held during the year under review. There was also a supplementary examination under the old scheme held by the University earlier in the year.

The revised curriculum with its provision for instruction through the medium of the mother-tongue together with the inclusion of such subjects as Science, History and Geography and the ultimate introduction of one or more of the manual arts or vocational subjects is an experiment of the utmost importance and value.

10. **Grant-in-aid system.**—The general principles governing the distribution of grants remained the same as in the preceding year. Additional allotments were placed at the disposal of the Inspectors of Schools for grants to non-Government secondary schools.

11. **Teachers.**—There were 29,472 male teachers in secondary schools on 31st March 1940. Of them 6,182 were trained as against 23,290 untrained. Teachers in many privately managed schools continued to be ill-paid and the quality of teaching in them fell short of the required standard.

12. **Training of teachers.**—The two colleges maintained by Government for the training of English teachers of secondary schools together registered 198 pupils on 31st March 1940. All the students read the B. T. course. The cost of upkeep of the two colleges amounted during the year to Rs. 98,514 (Rs. 92,345).

Besides the two Government training colleges the training department of St. Xavier's College had 10 students on the rolls on 31st March 1940.

Altogether 321 students appeared at the B. T. Examination of whom 247 came out successful.

The University of Calcutta continued the work of training teachers in specific subjects and thus supplemented the work of the Government teachers' training colleges. They have since started a full B. T. Department in the University.

The system which was introduced in previous year permitting the graduate teachers of secondary schools to appear at the B. T. Examination as private candidates under certain conditions continued in the year under report.

On the 31st March 1940 there were 4 normal or first grade training schools in Bengal. These schools are meant for those who intend to become vernacular teachers in secondary schools. The minimum qualification required of a candidate seeking admission to this type of school is the Matriculation standard. The normal schools registered 352 pupils on 31st March 1940. The cost of upkeep of these schools amounted during the year to Rs. 90,273 nearly the whole of which was contributed from Provincial Revenues. Out of 155 students who sat for the examination 133 passed.

13. **General.**—The secondary education system in Bengal is a subject which excites considerable controversy both in the press and on the platform. There is a very general opinion that it needs radical reorganisation, but no agreement as to how this should be effected. The new regulations of the Calcutta University should lead to a general improvement in the quality of training given to the students in the secondary schools. In order to ensure efficiency in school work according to the new scheme it is necessary to provide more trained teachers on better salaries, more satisfactory equipment of schools, more grants on a generous and extensive scale and more effective control.

CHAPTER V.

University and Collegiate Education.

(Figures in brackets refer to the year 1938-39.)

Calcutta University.—The Hon'ble Khan Bahadur (now Sir) M. Azizul Haque, C.I.E., B.L., M.L.A., was Vice-Chancellor of Calcutta University during the year under review. The following were the most important changes made in the Regulations:—

(*i*) Revision of the B. T. Regulations.

(*ii*) Admission to post-graduate classes restricted to subjects offered in the B.A., B.Sc., or B.Com. examination.

(*iii*) Admission of unsuccessful students to their respective examinations without further attendance at lectures.

(*iv*) Introduction of Bengali, Hindi, Assamese and Urdu as second languages for the Intermediate Examination in Arts.

During the year the following further amounts were received from Dr. Harendra Coomar Mookerjee, M.A., PH.D., M.L.A., University Professor of English, towards the nucleus of the following endowments:—

(1) Sudhir Kumar Mookerjee (First endowment)—Rs. 25,000.

(2) Sudhir Kumar Mookerjee (Second endowment)—Rs. 25,000.

A number of commercial firms and industrial concerns offered donations for research work in the lines in which they were interested or in recognition of the research done in their business in the University College of Science.

The following comparative table shows the number of students under different categories who attended the University classes during the last 2 years:—

	1938-39.	1939-40.

2. **Dacca University.**—Dr. R. C. Majumdar, M.A., PH.D., continued to be Vice-Chancellor of Dacca University during the year. The most important event during the year was the institution of a Faculty of Agriculture. Three new departments, viz., Agriculture, Biology and Soil Science were opened and a number of new teachers in Botany, Zoology, Micro-Biology and Agricultural Chemistry were appointed. Satisfactory progress was made in regard to the proposed Faculty of Medicine. With a view to meeting the growing demand of Muslim students for hostel accommodation it was decided to start a second Muslim Hall. There were 1,509 (1,471) students on the rolls of University of whom 918 (including 95 women students) were reading for Arts Degrees, 336 for Science Degrees while 104 were in the Law Department, 121 in the Commerce Department and 30 engaged in research work.

3. **Board of Intermediate and Secondary Education, Dacca.**—Mr. J. N. Ray, Assistant Inspector of Students' Residences, Dacca, continued to act as Secretary to the Board in addition to his own duties. The cost of maintaining the Board amounted during the year to Rs. 44,497. Hooghly Madrasah was raised to the status of an Islamic Intermediate College making the total number of Islamic Intermediate Colleges under the Board 4. The number of general Intermediate Colleges under the Board remained unchanged at 5.

4. **Colleges.**—The total number of Arts Colleges in Bengal rose during the year from 51 to 58, of which 48 were for men and 10 for women. The increase in the number of colleges is accounted for by the establishment of the Lady Brabourne College, Calcutta; Gokhale

Intermediate College, Calcutta; South Calcutta Girls' College; Azizul Haque College, Bogra; Haraganga College, Munshiganj; Islamic Intermediate College, Hooghly, and Sir Ashutosh College, Kanungopara, Chittagong. The total enrolment of these colleges was 34,094 (30,687) and their cost of maintenance was Rs. 43,73,141 (Rs. 40,29,072). Of the 48 men's colleges (including the Islamic Intermediate Colleges) 11 were maintained by Government, 22 were aided and 15 unaided.

The following tables give comparative figures for the enrolment and maintenance charges of arts colleges for men for the last 2 years:—

Apart from the distribution of Rs. 2,37,000 as recurring grants to non-Government arts colleges, Rs. 4,41,739 was sanctioned as non-recurring building grants and other grants to non-Government arts colleges. A sum of Rs. 80,000 was also distributed on the recommendation of the University of Calcutta for the improvement of libraries, laboratories and gymnasia.

5. **Government colleges.**—The number of Government colleges for men rose from 10 to 11 the increase being due to the raising of the Hooghly Madrasah to the status of an Islamic Intermediate College. There were altogether 4,475 (4,199) students reading in these colleges. The maintenance of these colleges cost Government Rs. 15,49,661 of which Rs. 10,62,633 came from the provincial revenues, so that the average cost of educating a college student was Rs. 323 of which Rs. 237 was met by Government.

The following table gives statistics relating to Government colleges for men* :—

*Islamic Intermediate Colleges maintained by Government are dealt with in Chapter IX.

6. **Non-Government colleges.**—Besides Government colleges there were 37 other arts colleges for men in the province, of which 22 were in receipt of a regular grant-in-aid from Government and 15 were maintained entirely from private sources.

The aided colleges enrolled 13,960 (13,814) students and their cost of maintenance came to Rs. 15,50,209 (Rs. 14,02,184) of which Rs. 2,59,744 was provided from the provincial revenues.

The total enrolment in the unaided colleges was 13,099 (13,814) and their cost of upkeep Rs. 10,86,795 (Rs. 9,62,214).

Government introduced a new scholarship scheme during the year. The generosity of colleges has made it possible to incorporate as an essential feature of the scheme the privilege of free tuition to all Government scholarship-holders. Another feature of the scheme is that besides the general scholarships to be awarded by the Director of Public Instruction and the Board of Intermediate and Secondary Education, Dacca, a number of scholarships have been attached to particular colleges which will be awarded by the Principals of the colleges, and special scholarships for different communities, *viz.*, Muslims, Scheduled Castes, non-Muslims other than Scheduled Castes and backward and minority communities have also been provided.

CHAPTER VI.

It cost Rs. 58,785 (Rs. 43,831) for its upkeep. Thirty-six students sat for the Final Examination and 27 came out successful. During the year under review, Government sanctioned the admission of women students into the school and 10 lady students were admitted into different classes.

8. **Commercial education.**—Facilities for advanced commercial education were provided in the same institutions as in the previous year, *viz.*, in Universities and the Commerce Department of the Vidyasagar College and the City College, Calcutta, 300 and 44 students obtained the B.Com. Degree of the Universities of Calcutta and Dacca, respectively, during the year out of a total of 574 and 101 sent up respectively. Jagannath Intermediate College, Dacca, continued to offer Commerce as a special subject for the Intermediate Examination.

There were altogether 26 (15) commercial schools during the year of which 1 was managed by Government, 2 were aided and rest unaided. The Government Commercial Institute, Calcutta, had on its rolls 495 (553) students, of whom 436 were Hindus, 51 were Muslims, the rest belonged to other communities. Its maintenance during the year cost Rs. 66,637 (Rs. 62,117) of which Rs. 36,771 came from provincial revenues. One hundred and six students appeared at the Final Commercial course examination and 66 were successful. Five hundred and ninety-two candidates appeared in the Commercial course special examination from it and the affiliated institutions and 358 of them were successful. Government have sanctioned the scheme of opening a third section each in the first and second year Day classes with effect from 1939.

9. **Weaving schools.**—Weaving was taught as in the previous in a few general secondary schools, but for the most part in special weaving schools (some of which were peripatetic) and through demonstration parties. These weaving schools were, as before, controlled by the Director of Industries, Bengal. The chief of these schools is the Bengal Textile Institute, Serampore. It had under training during

the year 219 (181) pupils. The cost of maintaining the institute amounted in the year to Rs. 62,311 of which Rs. 62,011 was borne by Government. Eighty-three candidates (including 12 women) passed the examination of the institute out of 95 sent up for it.

10. **Music schools.**—There were 8 music schools in the year in the Presidency which imparted specialised training in music—both classical and modern. In addition to these schools music was also taught in many high and middle schools for girls. Music is an important subject in the curriculum of girls' education and Indian music has been introduced as one of the subjects for the Matriculation examination. With a view to providing an adequate number of teachers in Indian music for secondary schools Government are considering a scheme for starting a teachers' training centre.

11. **Agricultural schools.**—An account of steps taken by the department for the teaching of agriculture in general schools is given in the Chapter on secondary education.

There were 3 agricultural schools and 2 sericulture schools in the presidency during the year under report. These schools registered 214 (138) pupils on 31st March 1940. The agricultural school at Chinsurah which had so long been an aided institution was placed under Government Management during the year under review.

12. **Other technical centres.**—The following senior technical schools afforded facilities for vocational education and deserve especial mention in this report:—

(*I*) *The Calcutta Technical School.*—The school imparts theoretical training together with laboratory practice only to such students as work as apprentices in various recognised engineering and allied workshops in and near about Calcutta. It had a roll strength of 380 (341) and the cost of its upkeep amounted to Rs. 92,661 of which Rs. 54,729 came from the provincial revenues.

(*II*) The Kanchrapara Technical School had a roll strength of 62 (60) students. Fifty candidates appeared in different subjects at the annual examination held by the Board of Apprenticeship Training and of these 44 were successful.

(*III*) *The Bengal-Nagpur Railway Technical School, Kharagpur.*—This school follows the syllabus of the Board of Apprenticeship Training in Bengal. At the Board's Annual Examination held in December 1939, 95 candidates appeared in different subjects from the Khargpur Technical School of whom 65 came out successful.

CHAPTER VII.

Education of Indian girls and women.

(Figures in brackets refers to the year 1938-39.)

Institutions and pupils.—At the end of the year 1939-40 the total number of educational institutions of all types and grades meant for Indian girls fell from 14,973 to 13,803. The fall was chiefly in the primary schools and was due partly to the amalgamation of inefficient

primary schools with other schools as a policy of concentration and partly to the introduction of co-education under the free primary education scheme. The number of girls reading in girls' schools was 526,087 (503,424) and the total number of girls under instruction in girls' as well as boys' schools was 796,279 (758,188) of whom 343,209 were Hindus, 429,064 were Muslims and the rest of other communities.

2. **Controlling agency.**—The staff of women inspecting officers remained as before (one Inspectress for the Presidency and Burdwan Divisions and another for the Dacca, Chittagong and Rajshahi Divisions and 12 Assistant Inspectresses).

3. **Collegiate education.**—During the year the number of arts colleges for women increased from 7 to 10 owing to the addition of the Lady Brabourne College, Calcutta, South Calcutta Girls' College and Gokhale Memorial Girls' College, Calcutta. Three of these arts colleges are maintained by Government, viz., Bethune College and Lady Brabourne College in Calcutta and Eden Intermediate College, Dacca, and the rest are under private management. These colleges enrolled 1,806 (1,506) pupils altogether. Besides these there were 785 women students in arts colleges for men and in University classes. The statement below shows the statistics of arts colleges for women:—

*Expenditure incurred for the maintenance of Women's Department of the Ashutosh College, Calcutta, and the College Department of the Gokhale Memorial School, Calcutta, have not been separately shown.

The necessity of girls' education has been fully realised both amongst the Hindus and the Muslims. The problem of accommodation in the Bethune College has at last been solved by the adaptation of Christ Church School buildings which were acquired by Government for its extension. The extended affiliation of the Bethune College in Arabic, Urdu and Persian will remove a long felt grievance of Muslim students

seeking admission to it. *The Eden Intermediate College*, Dacca, continued in rented buildings. Buildings for this college and school at the new Civil station at Ramna, Dacca, are under construction. Provision was made during the year under report for the teaching of Arabic and Persian to 1st year I.A. students of the Eden Intermediate College and for the teaching of the I.A. course of the Calcutta University in the newly established Lady Brabourne College, Calcutta.

Altogether 1,111 (898) students sat for the Intermediate Examination, 457 (364) for the Bachelor's Degree Examinations and 53 (42) for the M.A. and M.Sc. Examinations during the year under review and of these 730 (559), 272 (247) and 42 (37) came out successful. Two State Scholarships for Indian women were created during the year for advanced studies in the United Kingdom.

4. **Secondary Schools.**—(I) *High schools.*—There were 87 (74) high English schools for Indian girls of which 6 were managed by Government, 77 were aided and the rest unaided. There were also girls' section attached to boys' schools where it was not possible to maintain separate high school for girls. The number of girls reading in high schools increased from 19,665 to 24,782. In the Matriculation examination 1940, 1,827 girls out of 3,347 sent up were successful. An additional recurring provision of Rs. 1 lakh was made in the budget for 1939-40 for making grants-in-aid to non-Government secondary schools for girls.

(II) *Middle schools.*—The number of middle English schools rose from 123 to 165. There were altogether 26,410 (18,896) girls reading in the middle English schools. The number of middle vernacular schools, however, remained stationary at 4; they taught 630 (705) girls altogether.

During the year an innovation was made in the conduct of the Middle Scholarship Examinations which was for the first time held at centres instead of in the schools themselves.

High schools for girls cost Rs. 14,53,249 (Rs. 12,41,202) and middle schools Rs. 5,67,098 (Rs. 4,60,792) during the year; and of these amount Rs. 5,07,487 (Rs. 4,39,848) and Rs. 2,36,154 (Rs. 1,80,361), respectively, came from public funds.

5. **Primary schools.**—At the end of the year 1939-40 primary schools for Indian girls fell from 14,126 to 13,180, but the number of girls reading in primary schools rose from 6,80,622 to 7,18,122. There were 85 free primary schools managed by the Corporation of Calcutta. One of the important events of the year was the sanction by Government to an additional provision of Rs. 57,600 for grants-in-aid to girls' primary schools in rural areas not under the control of district school boards. Private agencies such as the Nari Siksha Samiti, the Society for the Improvement of Backward Classes and Missionary Societies continued to do good work for the spread of female education. The total expenditure incurred for the upkeep of primary schools amounted during the year under report to Rs. 16,21,993 (Rs. 15,34,037) of which Rs. 11,54,747 (Rs. 10,80,421) was found from public funds.

6. **Special schools.**—The Presidency had 88 (75) technical, industrial and other special schools for Indian girls with 6,068 (5,532) pupils. The articles turned out by some of the schools were so good that they were regularly sent to market and sold at a fair price. In

this connection Kalimpong School, Orakandi Industrial School, Vidyasagar Bani Bhawan, and Saroj Nalini Industrial School deserve special mention.

7. **Needle-work.**—In some of the training and industrial schools specialised tuition is given in needle-work. Needle work is now a subject for the Matriculation examination. Needle-work is steadily gaining in popularity and many schools are participating in the Lady Carmichael Diploma Competition.

8. **Handwork Exhibition.**—The third annual Handwork Exhibition was held in the premises of the Government Muslim Female Training School, Calcutta, and was opened by Her Excellency the Lady Linlithgow.

9. **Training of teachers.**—There is arrangement for the training of women teachers of secondary schools at the Training Departments of the Scottish Church College and the Loreto House, Calcutta. Altogether 58 students were trained in these institutions. Nine women teachers were trained at the Dacca Training College also. One of the greatest needs of the province is a large Central Training College for women teachers.

Training schools for women afford training facilities to women teachers employed in primary schools and lower classes of secondary schools. There were altogether 13 (12) such schools during the year of which 3 were directly managed by Government and 10 were under mission and private management. The schools had an enrolment of 383 (374) pupils. The demand for trained teachers is much greater than the supply. A refresher course for teachers was started in July 1939 as an experimental measure in the Hindu Female Training School for six weeks. A general course supplemented by a number of lectures by some distinguished educationists was arranged.

The following table shows the number of trained women teachers in high, middle and primary schools:—

	Women teachers.	
	Total number of teachers.	Number of trained teachers.
In primary schools ..	4,935	810
In middle schools	796	316
In high schools	965	379

CHAPTER VIII.

Education of Anglo-Indians and Europeans.

(Figures in brackets refer to the year 1938-39.)

Controlling agency.—During the year under review Dr. H. Thomas continued to be Inspector of European Schools, Bengal.

2. **Schools.**—The number of institutions for the education of Anglo-Indians and Europeans fell in the year under review from 67 to 65; of these 61 (63) were for general education and 4 (4) for special instruction. The decrease of two in the number of institutions for general education was due to the closure of (1) Ishapore Park European School and (2) Loreto Boarding School, Entally. Of the 61 institutions for general education 24 were secondary, 19 higher grade, 17 primary and 1 ungraded. The 4 institutions which impart special instruction are (1) the Dow Hill Training College, Kurseong, for the training of women teachers, (2) the commercial classes attached to the Young Women's Christian Association, Calcutta, (3) The Children's House, Kurseong, and (4) the Fendall Home, Calcutta. Three of the institutions, *viz.*, the Victoria Boys' School, Kurseong, and the Dow Hill Girls' School, Kurseong, and the Dow Hill Training College, Kurseong, are directly managed by Government. The rest are managed by Railway authorities or religious and philanthropic bodies.

3. **Pupils.**—The following table shows the classification of European schools of the Presidency according to management and their roll strength:—

	1938-39.		1939-40.	
	Number of schools.	Number of pupils.	Number of schools.	Number of pupils.

Seventh Day Adventist ..	1	62	1	64
Undenominational ..	16	1,596	15	1,633
Total ..	67	12,805	65	12,640

The total number of pupils reading in schools for Anglo-Indians and Europeans thus fell during the year from 12,805 to 12,640, of whom 6,832 were boys and 5,808 girls. The number of non-European pupils was 3,155 (3,117) of whom 1,229 were Jews, Armenians, Indian Christians and others.

4. **Expenditure.**—The total cost of maintaining schools for Anglo-Indians and Europeans amounted during the year to Rs. 38,78,431 (including boarding charges of Rs. 10,47,858) as compared with Rs. 38,19,615 in the previous year.

The table below indicates the sources from which this amount was derived:—

	1938-39.	1939-40.
	Rs.	Rs.
Provincial revenues ..	9,60,895	9,87,100

Other sources	11,26,032	11,88,331
Total ..	38,19,615	38,78,431

5. **Scholarships and stipends.**—The total amount expended on scholarships and stipends during the year 1939-40 was Rs. 32,249 (Rs. 32,725).

The figure represents the amount actually drawn by recipients and excludes those scholarships and stipends which were awarded by other provinces but paid in Bengal.

6. **Teachers.**—There were 850 (862) teachers employed in European schools during the year under review of whom 530 (including 38 graduates out of a total of 197) were trained and 320 untrained.

7. **Training of teachers.**—Two stipends were awarded for the training of men teachers at St. Xavier's College, Calcutta. A stipend of Rs. 50 per mensem is now available for the diploma course in physical training at the college of Physical Education, Bengal. There is only one Government institution for the training of Anglo-Indian and European women teachers in Bengal, *viz.*, the Dow Hill Training College, Kurseong. The number of students on the rolls on the 31st March 1940 was only 8 (14). No admissions were made in the year under report as Government had ordered the closure of the college with the end of the session 1940. Government however sanctioned five scholarships of 50 per mensem each tenable at approved training colleges of other provinces. Seven students appeared at the annual examination of the second year class of the Dow Hill Training College and all of them came out successful.

As there is no suitable institution in Bengal for the training of teachers in Domestic Science which is a compulsory subject in all European girls' schools, Government sanctioned the award every year of a stipend of Rs. 50 per mensem tenable at the Lady Irwin College, Delhi, for the full teachers' course of three years.

8. **Examinations.**—The following table shows the results of the various examinations for which pupils entered in 1938-39 and 1939-40:—

9. **Education of subnormal children.**—The Children's House, Kurseong, which adopts special methods of training subnormal Anglo-Indian and European children had 25 (26) pupils on 31st March 1940. Stipends amounting to Rs. 1,920 were awarded by the department during the year under review for the up-keep and education of the children living in the House.

10. **Rescue and rest home for girls.**—The Fendall Home, Calcutta, is a home for European and Anglo-Indian girls who are out of work or in need of rest or are destitute: Rescue cases are taken in as well. On the 31st March 1940 there were 36 girls in residence. The Home received a grant of Rs. 960 from Government. The total expenditure incurred by the institution amounted to Rs. 18,411 during the year.

11. **Trust Funds.**—(*Sussex Trust.*)—The fund was created in 1919 with the magnificent donation of an English merchant of Calcutta, who expressed the desire that his name should not be disclosed. The income of the fund is utilised in awarding local and overseas scholarships and for the maintenance of primary schools for Indian boys. The Director of Public Instruction, Bengal, is the *ex-officio* administrator of the fund.

During the year 1939-40 a sum of about Rs. 6,700 was spent for the payment of 26 local scholarships, Rs. 15,250 for 7 overseas scholarships and financial aid for study abroad, and Rs. 5,450 for the cost of maintenance of two primary schools in Bengal.

12. **Doveton Trust.**—The Doveton Trust Act was passed in 1914 abolishing "the Parental Academic Institution and Doveton College and Doveton Institution for Young Ladies" and provided scholarships from the proceeds of the property in accordance with rules framed by Government under that Act for the Christian children of what is known

as the domiciled community in Bengal. The Inspector of European Schools, Bengal, acted as the administrator of the Doveton Trust Fund. The total receipts (including opening balance on 1st April 1939 and the interest on Government securities accrued during the year) derived from the Doveton Fund was *Rs. 8,735-0-11* and the total expenditure during the period was *Rs. 7,041-10-6*. Altogether 56 scholarships were awarded during the period.

13. **Provincial Board for Anglo-Indian and European Education.**—As usual the Provincial Board held four meetings during the year under review. Among others the following matters were discussed:—

(1) the supply of teachers of art to European schools;

(2) the teaching of handwriting;

(3) the modification of history and Geography syllabuses for the December Examination for the Cambridge Higher School certificate;

(4) the setting up of a fully equipped central institution in Bengal for sub-normal but educable children;

(5) History syllabuses specially adapted for use in classes III to VI of European schools;

(6) the establishment in Calcutta of a training college for kindergarten and nursery school teachers for Indian and European schools.

CHAPTER IX.

Education of Muslims and other Special Classes.

(Figures in brackets refer to the Year 1938-39.)

Education of Moslems: Statistics.—The total number of Moslem students reading in all grades of educational institutions for Indians was 1,950,294 (1,829,332) of whom 1,521,230 were males and 429,064 were females compared with 1,340,727 Hindu boys and 345,886 Hindu girls returned on 31st March 1940. The proportion of Moslem students to the total number of pupils registered at the end of the year was 54·1 (52·7) per cent. The following tables gives comparative figures for 1939-40 and the preceding year for Moslem pupils in different grades of institutions:—

	1938-39.		1939-40.	
	Number of Moslem students.	Percentage.	Number of Moslem students.	Percentage.
Arts colleges	6,042	17·4	7,008	19·1
Professional colleges	729	11·7	750	11·8
High stage	40,733	23·1	46,314	24·8
Middle stage	41,931	20·6	51,104	28·7
Primary stage	1,580,694	55·3	1,667,820	55·3
Special schools	115,610	73·1	138,850	73·8

2. **Special institutions for Moslems.**—(*a*) Besides the ordinary schools and colleges which are open to students of all communities the following institutions offer special facilities for higher education to Moslem students: Islamia College, Calcutta, the Lady Brabourne College, Calcutta, the Arabic Department of the Calcutta Madrasah and the four Islamic Intermediate Colleges at Dacca, Chittagong, Serajganj and Hooghly. In the year under report the Hooghly Madrasah was raised to the status of an Islamic Intermediate College. The affiliation and examinations of the Islamic Intermediate Colleges are controlled by the Board of Intermediate and Secondary Education, Dacca. The number of students in these colleges rose from 296 to 307 in the year under review. Of the 153 students who appeared in the Islamic Intermediate Examination of 1940, 86 were successful.

(*b*) There are two types of madrasahs in the province—the reformed type and the old type. The reformed type of madrasahs correspond to secondary schools—high madrasahs to high English schools and junior madrasahs to middle English schools. The department prescribes the curriculum and controls the examinations of the junior madrasahs, while the Dacca Board of Intermediate and Secondary Education regulates the curricula and examinations of high madrasahs. The following statement gives figures for both types of madrasahs:—

		Number of madrasahs.	Number of pupils.	Cost of maintenance.	Cost of public funds.
				Rs.	Rs.
(*a*) High madrasahs	New type	43	9,310	3,84,905	2,19,404
(*b*) Junior madrasahs	New type	625	70,368	11,02,643	4,04,643
(*c*) Senior Madrasahs.	Old type	95	12,603	3.59,669	1,44,536
(*d*) Junior Madrasahs	Old type	91	5,332	42,770	5,120
Total ..		854	97,613	18,89,987	7,73,703

The examinations of the old type madrasahs are controlled by the Board of Central Madrasah Examinations in Calcutta. The most important of this type of madrasahs is the Arabic Department of the Calcutta Madrasah.

A committee was appointed by Government to investigate the problem of madrasah education. The committee did not finish its deliberations during the year under review.

(*c*) During the year under review the number of maktabs or Muslem primary schools stood at 20,200 (18,959) of which 13,815 were for males and 6,385 for females. The total number of pupils reading in maktabs was 992,489 (774,639) of whom 707,335 were boys and 285,154 were girls. The total direct expenditure for the upkeep of these schools amounted in the year under report to Rs. 25,72,755 of which

Rs. 17,79,583 was met from public funds. The revised curriculum for primary schools has, besides reducing the length of the course from 5 to 4 years, made provision for religious instruction and thereby removed the need for maktabs as separate institutions.

(*d*) Quoran schools are unsecularised maktabs which teach the recitation of the Holy Quoran and a book or two of the rituals of Islam. The number of Quoran schools at the end of the year under report was 81.

(*e*) *Muallim training schools.*—The number of muallim training schools which are intended to train maktab teachers remained stationary at 6.

3. **Education of Moslem girls.**—During the year under review the number of Moslem girls reading in all classes of recognised institutions rose from 410,132 to 429,064. Of these 108 (86) were in arts and professional colleges, 524 (492) were in the high stage, 1,050 (745) were in the middle stage, 421,420 (403,715) were in the primary stage and 5,962 (5,094) were in special schools. A new Ladies College (The Lady Brabourne College) was established in Calcutta chiefly for Moslem girls in the year under report.

4. **Special facilities.**—Moslem students continued to enjoy during the year under report the special concessions stated in previous reports, *viz.*, reservation of places in Government and aided schools, the grant of special scholarships, stipends and free studentships. During the year under report an additional sum of Rs. 1,10,000 was provided in the Education Budget for the creation of scholarships, stipends and free studentships for Muslim pupils.

5. **Education of chiefs and nobles.**—There is no institution in Bengal for the sons and wards of chiefs and nobles, but the Nawab Bahadur's Institution at Murshidabad provides special facilities for the education of the boys of the Nizamat family. There is a hostel attached to the Nawab Bahadur's Institution which is exclusively reserved for the boys of the Nizamat family, under the supervision of the Headmaster assisted by an Ataliq, and maintained by Government. During the year under review the number of Nizamat boys in residence was 26 as in the previous year. The upkeep of the hostel cost Government Rs. 5,036.

6. **Education of the children of backward classes.**—The number of boys and girls of educationally backward classes attending the various types of institutions during the year under review is shown below:—

Class of institution.	Boys.	Girls.	Total.
Arts colleges	1,619	30	1,649
Professional colleges	144	1	145
Secondary and primary schools ..	374,346	80,285	454,631
Special schools	11,325	495	11,820
Unrecognised schools	4,342	816	5,158
Total ..	391,776	81,627	473,403

The corresponding figures for the totals in the previous year were 394,890, 77,670 and 472,560, respectively. From the table above it would appear that the number of pupils from educationally backward classes rose from 472,560 to 473,403. Government have provided special educational facilities to the backward classes. Apart from the recurring provision of Rs. 29,160 for scholarships and stipends several senior and junior scholarships have been created. A sum of Rs. 1,50,000 out of the provision of Rs. 5 lakhs has been allocated for the construction of scheduled castes' high English and middle English school buildings. One thousand and five hundred stipends at Rs. 4 per month per head were distributed to scheduled castes pupils of high stage during the year, and a sum of Rs. 50,000 was given as lump grants to scheduled castes' high English and middle English schools. The following paragraphs indicate the educational progress that was noticeable among the children to the educationally backward classes in each division of the Presidency:—

(*i*) *Calcutta.*—During the year there were 6 primary schools with 320 pupils under the management of different missions for the education of the children of educationally backward classes. The Namasudras and Paundra Khatriyas of Khulna, Jessore and 24-Parganas deserve special mention for their keenness on education and for their spirit of self-help. They made considerable progress in education and started a number of primary schools for the education of their children of their own initiative. The number of schools chiefly intended for the education of the backward classes during the year under review was 6 high English, 58 middle English and 1,324 primary schools. The Sussex Trust Fund, the Society for the Improvement of Backward Classes, the Ram Krishna Mission, some Christian Missions and a few other humanitarian societies have helped in the spread of education amongst educationally backward classes.

(*iii*) *Burdwan Division.*—The education of Sonthals in the districts of Midnapore, Bankura and Birbhum was mainly in the hands of mission bodies. The funds allotted for their education were administered by the Boards of Sonthal Education in Bankura and Midnapore and the District School Board in Birbhum. The Sonthal High School at Bhimpore (Midnapore) under the management of the American Baptist Mission enrolled 188 (171) pupils. The Middle Vernacular School for Girls at Bhimpore had 134 pupils including 50 boys. In the Dacca Range there were 5 (4) middle schools and 76 (73) primary schools chiefly intended for aboriginal backward classes. Besides, there were 111 (104) primary schools mainly attended by pupils of other backward classes. In Dacca Division there were specially for Namasudras 9 (8) high and 38 (33) middle English schools. A large number of primary schools chiefly attended by this class of pupils was also in existence. A new school for the education of the girls of the Mundas (an aboriginal tribe) came into being during the year under report at Sarashi in the district of Bakarganj. The number of primary schools intended for Magh settlers in the colonization area of the Bakarganj district remained stationary at 12 (11 for boys and 1 for girls).

(*v*) *Chittagong Division*.—The number of pupils belonging to educationally backward classes fell from 35,895 to 35,752. During the year under review there were 160 recognised schools in the Chittagong Hill Tracts, *viz.*, the Government High School at Rangamati, 8 middle English schools, 150 primary schools and 1 training school. The five Burmese primary schools in the Cox's Bazar subdivision of Chittagong district were managed by district school board. These primary schools were chiefly intended for the Arakanese Buddhists (commonly known as Maghs) of the Cox's Bazar subdivision. Besides these, there were 1 aided middle English school at Ramoo and 2 aided primary schools chiefly intended for the Magh pupils in the Cox's Bazar Municipality. In addition to these schools there were 34 Keyang schools imparting free religious education to the Burmese pupils. An aboriginal hill tribe known as the Tipra had a school in the Lalmai hills in the district of Tippera.

(*vi*) *Rajshahi Division*.—The Rajbansis, Namasudras, Maloo, Santhals, Bhutias and Lepchas are the main educationally backward communities in this division. There was a Board of Sonthal Education in Malda as in previous year. There were 7 middle English schools chiefly meant for the pupils of backward classes. Mission schools mainly intended for the education of the aboriginal races other than Sonthals numbered 29. These institutions were subsidised by the district boards, some of them receiving grants from the provincial revenues as well.

7. **Education of criminals.**—The Salvation Army maintained one industrial school for the children of the Karwalnuts. The school had 58 (59) pupils of whom 31 (29) were boys and 27 (30) girls. Instruction was imparted to the children in such subjects as farming, weaving and knitting, besides those of the primary school curriculum. The total maintenance cost of the institution amounted to Rs. 10,000 which was entirely met from the provincial revenues. There were 3 board managed free primary schools with 301 pupils in the district of Chittagong for the criminal tribes.

The Borstal Institution at Bankura which educates juvenile offenders of the ages from 15 to 21 had 258 (234) pupils on the rolls. The year under report witnessed the starting of a day school for the education of the adult convicts in the Midnapore Central Jail by Government under the administrative control of the Inspector-General

The Reformatory and Industrial Schools, Alipore, had 248 (271) inmates on 31st March 1940. Lessons are given there through the medium of three languages—Bengali, Hindi and Urdu up to the upper primary standard in accordance with the syllabuses approved by Government. Besides, every boy receives some sort of training in one or another of the crafts—tinsmithy, blacksmithy, carpentry, weaving and tailoring. The upkeep of the schools cost Rs. 59,909. Boys released from Reformatory Schools were watched over and provided with suitable jobs by the inspecting staff who also distributed to the released pupils allowances received from the Superintendents of the Reformatory Schools. The Bengal After-Care Association also watches over the work of the released pupils and attempts to find work for them.

8. **Education of defectives.**—The Deaf and Dumb School, Calcutta, which teaches the Primary Final Course and in addition painting, clay-modelling, tailoring, woodwork, metal-plating, etc., enrolled 240 (241) pupils including 60 (68) girls. One of the candidates secured a primary final scholarship reserved for them during the year under review.

In Behala Blind School, both primary and secondary courses are taught to pupils of both sexes besides such vocational subjects as carpentry, basket-making, weaving and spinning. In Bodhana Niketan at Jhargram in the district of Midnapore mentally defective and imbecile pupils are educated with a view to making them useful to the society. As in the previous year the number of schools for defectives was 4 in the Presidency Division (outside Calcutta). The number of pupils reading in these schools were 127 (122) in 1939-40.

There were 3 aided deaf and dumb schools, one in each of the district headquarters of Dacca, Mymensingh and Bakarganj with 76 (74) pupils including 11 girls. Stipends amounting to Rs. 1,920 were awarded by the department for the education and maintenance of defective children living in the House.

9. **Education of factory and colliery children.**—The number of colliery primary schools in the Asansol subdivision of the Burdwan district remained stationary at 10. These schools are chiefly meant for the miners' children. The mill authorities in some cases, in the districts of Hooghly and Howrah, maintained or subsidised primary schools meant for the children of millhands. There were 12 such primary schools with 916 pupils in the district of Hooghly. In the district of 24-Parganas the number of primary schools specially meant for the children of mill workers and factory employees was 5. In the Titaghar Factory Primary School there are classes for Hindi, Urdu and Telegu speaking boys. The Budge Budge School is managed by the local mission.

10. **Tea garden schools.**—These schools were chiefly intended for the education of the children of the labourers working in the tea estates of Jalpaiguri and Darjeeling. They followed the ordinary

primary school curriculum. There were altogether 168 (163) tea garden schools with 5,550 (4,395) pupils. The total expenditure for the upkeep of these schools amounted to Rs. 21,891 of which Rs. 14,051 came from the public funds.

11. **Education of Jains.**—There were altogether 710 Jain pupils reading in different grades of educational institutions in the Presidency on the 31st March 1940. Of these 654 belonged to primary and secondary schools and 56 to colleges.

12. **Cantonment schools.**—There were on 31st March 1940, 3 (3) primary schools—one in Jalapahar and two in Lebong Cantonment area of the Darjeeling district with 164 (163) pupils. The cost of maintenance of these schools amounted to Rs. 4,334 during the year.

There were 2 secondary and six primary schools in the cantonment area of Barrackpur in the district of 24-Parganas with 330 and 527 pupils, respectively. The total direct expenditure on these schools was Rs. 26,391.

CHAPTER X.

Unrecognised Institutions.

Unrecognised institutions are those that do not follow the courses of study prescribed by the department or the University or the Dacca Board of Intermediate and Secondary Education and do not satisfy any of these authorities in regard to the standard of efficiency attained by them. They are not open to inspection and do not enjoy aid from any public authority. Inadequacy of staff and equipment, weak discipline, defective teaching and organisation and precarious finances are some of the normal features of most unrecognised schools. The number of unrecognised institutions on 31st March 1940 was 1,226 attended by 63,458 pupils against 1,738 schools with 85,178 pupils in the previous year.

CHAPTER XI.

Residence of Students and their Physical and Moral Training.

Hostels.—During the year 1939-40 the number of boarders residing in the hostels and boarding houses attached to educational institutions rose from 36,154 to 38,178. Of the total number of boarders returned on 31st March 1940, 32,944 resided in hostels for Indians and 5,234 lived in boarding houses meant for Europeans and Anglo-Indians. Of the boarders' resident in Indian hostels, 29,900 were males and 3,044 were females. Of the European and Anglo-Indian boarders 3,005 were boys and 2,229 were girls.

The hostels were generally under the superivision of the members of the teaching staff of the schools. The cost of supervision was met from provincial revenues in the case of hostels attached to Government institutions and shared by the Government and the School Committee in the case of hostels attached to aided institutions.

2. **Messes.**—There were 1,819 inmates in the messes (including non-collegiate hostels) administered by the Students' Residence Committee of Calcutta University. In view of an enormous increase in the number of girl students in Calcutta, the Syndicate took special care

for their accommodation and appointed an Inspectress to supervise their hostels and messes. Messes and hostels under the Board of Intermediate and Secondary Education, Dacca, continued under the supervision of the Assistant Inspector of Students' Residences and accommodated 632 boarders.

3. **Physical education.**—The whole scheme of physical education has been placed under the head of Youth Welfare work in Bengal. Under the Youth Welfare Scheme a District Youth Welfare Council was established in each district in 1938-39. The main objects of these Councils are—

(*a*) to provide opportunities for healthy living for the adults, youths and children of the district,

(*b*) to inspire them with the spirit of social service, and

(*c*) to co-ordinate the work of all agencies working towards these ends.

The Director of Physical Education, Bengal, reported that these Youth Welfare Councils were working well. The District Organisers of Physical Education played an important part in the promotion of physical education throughout the province. They visited schools and colleges and demonstrated various kinds of physical activities. They organised tournaments in many of the activities and also conducted training courses for teachers and club leaders in different parts of the districts.

The following table will show the number of training courses conducted and the number of teachers trained by the District Organisers of Physical Education during the year under review:—

	Number of courses.	Number of teachers trained.
For teachers of primary schools and maktabs ..	37	1,549
For teachers of middle schools and junior madrasahs	26	561
For teachers of high schools and senior madrasahs	18	297

The College of Physical Education began its classes with 43 students in the year under report. Of these 41 received the Diploma in Physical Education. All the students, who obtained the diploma, have been provided with employment in schools and colleges. The students of the College of Physical Education and the representatives of the Bengal Basket-ball Association undertook demonstration tours to Krishnagar, Jessore, Rajshahi, Hooghly, Khulna, Barisal and Rangpur.

The Government are promoting the growth of voluntary clubs in the districts in order to provide physical activities for the adults. In 19 districts these clubs met together and formed District Associations.

During the year under review the following amounts were sanctioned by Government for the objects noted against them for the improvement of physical education:—

	Rs.
(1) Short training course for teachers	13,000
(2) Grants to Inter-School Sports Associations	10,000
(3) Grants to District Councils and Youth Clubs	26,000
(4) Grants to schools for improving facilities for physical education ..	26,000

The non-Government colleges which employed trained physical instructors, received grants of Rs. 20 each per month. A sum of Rs. 1,820 was distributed to 9 colleges.

A notable event of the year has been the recruitment of a Physical Directress for Bengal, and the establishment of a College of Physical Education for Women with the Physical Directress as the Principal. The Physical Directress will train teachers, visit schools and act as an Adviser to the Department in matters of the physical well-being of girls.

4. **Boy Scouts.**—During the scout year 1939 there were in the presidency 10,199 scouts, 6,577 cubs, 545 rovers, 332 pack officers. 493 troop officers and 170 local association officers. The normal annual grant of Rs. 6,000 was paid to the Boy Scouts Association for the management and development of Boy Scout movement in the province. The annual grant of Rs. 4,000 meant for the introduction and development of Boy Scout Troops in Government and non-Government educational institutions was made over to the Provincial Commissioner, Bengal Provincial Boy Scouts Association, for utilisation in the manner best suited to the scouts and the scout movement in the province.

5. **Girl Guides.**—Important high and middle schools for girls have their Girl Gide Companies and Blue Bird Flocks. The training they impart is calculated to help in the formation of the girls' character and development of their personality.

6. **Bratachari movement.**—The movement has gained ground and folk-dance and folk-songs have found a place among the major extra-curricular activities of school life. During the year under review a recurring grant of Rs. 9,000 and a non-recurring grant of Rs. 1,000 out of the Youth Welfare grant were sanctioned by Government as aids to the movement. Eight camps were organized and 338 teachers trained in Bratachari during the year under report.

7. **Junior Red Cross.**—Junior Red Cross Societies have been organised in many schools in Bengal. The Societies have made great progress in the direction of personal hygiene. Of the various activities of the Societies, nursing the patients, rendering the first aid to the injured, removing the water-hyacinth and organising social functions deserve particular mention.

8. **Medical inspection.**—A sum of Rs. 15,954 was distributed to 57 non-Government high schools outside Calcutta for the scheme of medical inspection. In most of the schools the scheme worked well and benefited many students. Four full-time medical officers were appointed for the Government and aided secondary schools for boys in the city of Calcutta. They went round the schools and examined the students. Free spectacles were supplied by the department to poor students with defective vision. A clinic also was established for the students, where free treatment of minor ailments was given. The Medical Board attached to the Students' Welfare Committee of Calcutta University visited 4 colleges and 4 high schools in Calcutta. The total number of students examined during the year was 3,069. Five hundred and ten students were called up for re-examination of whom 304 were kept under observation for varying lengths of time. District boards and municipalities deputed their health officers at times for the medical inspection of school children in their respective areas. During epidemics, the medical officers, sanitary inspectors and vaccinators of local bodies give preventive inoculations and offer necessary advice to the teachers and school children.

9. **Hygiene.**—Hygiene is taught as a compulsory subject up to class VIII in high schools, and it also forms part of the curriculum of

primary schools. It is an optional subject for the Matriculation Examination. The Bratachari, Red Cross and Scout organisations give a practical shape to it. An impetus was given to it by the demonstrations and cinema shows arranged by the Government Publicity Department and the lectures given by officers of the Public Health Department and also by the propaganda work carried on by the District Health Officers. Clearance of jungle and destruction of water-hyacinth were undertaken by school boys for the improvement of village sanitation.

10. **Religious and moral instruction.**—Direct religious instruction was imparted only in sectarian schools such as madrasahs, tols, muktabs and mission schools. In some schools there were arrangements for a common prayer just before the commencement of school work or after the recess every day. The basic principles of a good life and healthy aspirations were inculcated on the minds of pupils through topics arising from text-books, through school ceremonies, social functions and other extra-academic activities and, above all, through the personal influence of some worthy members of the teaching profession. The revised curriculum for primary schools provides for religious instruction in primary schools.

11. **National schools.**—The influence of these schools is steadily diminishing. During the year under report there was 1 national school with 156 pupils.

CHAPTER XII.

Conferences and Committees.

The Western Bengal Education Week was held in the premises of the Ballygunge Government School for seven days with effect from first February 1940. The work of organising the Week was entrusted to a committee with Mr. J. M. Bottomley, M.A., C.I.E., I.E.S., as its President. The following were some of the important subjects discussed in the symposia and lectures presided over by eminent educationists:—

(1) Teaching of Bengali and Urdu.
(2) Some lessons of History.
(3) Religious basis of education.
(4) Some aspects of Internationalism.
(5) Discipline and problems of educational adjustment.
(6) Modern educational thoughts.

The Dacca Education Week was opened by the Hon'ble Mr. A. K. Fazlul Huq, Chief Minister, Bengal, on the 6th February 1940. Over 1,500 teachers attended and participated in the varied activities of the Week. The Week was a great success. A very interesting lecture was delivered by Dr. W. A. Jenkins, D.SC., on the Control of Education with special reference to Bengal. Many prominent educationists also delivered lectures on educational and cultural topics.

The teachers of the Calcutta Corporation also tried a similar Week which was held in the premises of the University Institute with commendable success, although it was restricted to the teachers of the Corporation alone.

Three other teachers' conferences held during the year are worth mentioning, *viz.*, the Jalpaiguri session of the North Bengal Education League held under the presidency of Khan Bahadur Abdur Rahman

Khan, Assistant Director of Public Instruction, Bengal, the Serajganj session of the "All Bengal Teachers' Association" held under the presidency of Dr. H. C. Mukherjee, Head of the Department of English, Calcutta University, and the "All Bengal Government School Teachers' Conference" under the presidency of Mr. W. C. Wordsworth.

The usefulness of these conferences is two-fold. They show what education is and what it can and should be. They afford an opportunity for teachers from all parts of the country to meet, to pool their ideas, to discuss plans, to share in that companionship which is so valuable a stimulus to any body of workers.

A conference of the representatives of the University of Calcutta and the Government was held on the 20th April 1939 to discuss the following questions:—

(1) changes in the Regulations relating to plucked students, and
(2) payment of cost of apparatus broken and chemical used at the University practical examinations in Science.

Conferences of inspecting officers were generally held under the chairmanship of the District Inspectors of Schools of the districts concerned. Matters relating to education, duties and responsibilities of the Sub-Inspectors of Schools in their relation with District School Board and wastage in the lower forms of primary schools, were generally discussed. Resolutions were passed pressing for the sanction of a peon to each Sub-Inspector of Schools and for permission from the authorities concerned allowing the Sub-Inspectors of Schools to occupy district board inspection bungalows free of rent while on duty.

Conferences were held in Calcutta and Dacca of Assistant Inspectresses of Schools and Head Mistresses of Government Training Schools and selected high schools. Many useful subjects of common interest were discussed in them.

The departmental officers some time held informal conferences while on tour, with teachers, guardians, president and members of the local union boards and discussed ways and means for the furtherance of primary education. Industrial and Agricultural Exhibitions were held in the different parts of the province. They impressed on the public the importance of primary education in rural areas through lectures, demonstrations, lessons and other educational exhibits.

The Bengal Women's Education League held their conference in Calcutta in the month of February 1940 and was attended by the members of the inspecting staff and a large number of teachers from both aided and unaided primary schools.

CHAPTER XIII.

Text-Book Committee.

During the year under review, Government adopted a new set of rules for the working of the Bengal Text-Book Committee. Government also sanctioned the creation of a post of Reader and Secretary to the Committee in the Bengal Educational Service and the enhancement of pay of the existing two assistants of the Committee to the lower division scale of Director of Public Instruction's office. A new committee consisting of 26 members with the Director of Public Instruction as *ex-officio* President, was constituted for period of three years with effect from 1st July 1939.

In accordance with the programme of work of the Committee, text-books for primary schools and maktabs on various subjects written according to the revised curriculum sanctioned by Government in their Notification No. 683T.—Edn., dated the 10th June 1938, were called for during the year and one thousand eight hundred and forty-four books were received for consideration. Of these books 8 were rejected at the preliminary scrutiny, and 918 books were finally approved. The Committee also received 79 books for consideration as prize and library books, of which 44 were approved. A sum of Rs. 15,132 was realised from authors and publishers as fees. The amount paid to the reviewers was Rs. 10,998.

In view of a large number of books reviewed for consideration 31 members were co-opted to different Sub-Committees of the Text-Book Committee to complete the work of examination within the specified time.

During the year, 20 essays were received for Babu Braja Mohan Dutta prize for Indian ladies and they were examined by a group of three members. Two prizes of the value of Rs. 45 each for the years 1937-38 and 1938-39 were awarded to (I) Tanzilan Nessa Bagum and (II) Rasamayee Sircar Kavyatirtha. The subject selected for the year 1939-40 was "The place of women in modern Indian Society."

CHAPTER XIV.

Education in the Legislative Assembly and the Council.

At the meeting of the Bengal Legislative Council held on the 1st March 1940 a resolution was moved by Khan Bahadur Saiyed Muazzam-uddin Hossain that the Government high schools be gradually deprovincialised and turned into aided schools and the money thus set free be utilised in giving more liberal aid to aided schools, especially those of backward areas and areas unprovided with schools. On an assurance being given by the Hon'ble Minister in charge of Education that the question will be considered by Government the resolution was withdrawn by the mover. The demands for educational grants in March 1940 afforded, as usual, opportunities to members to discuss, among other things, questions, about the inadequacy of grants to non-Government secondary schools and the operation of the grant-in-aid rules, the necessity of an annual recurring grant of Rs. 5 lakhs for the education of Scheduled Castes, the inadequate provision of primary education and the necessity of introduction of free primary education in Bengal. During the year a large number of questions on various aspects of education were asked; some of them related to particular institutions and offices and some to matters of general interest such as high cost of education in Bengal, grants to trained gurus, religious training in primary and secondary schools, granting of facilities to students of backward classes, religious education of Moslems in schools and colleges and training of Matriculate teachers for primary schools. The members of the Legislative Assembly and the Council continued to take keen interest in the educational problems of the province.
